

District Advisory Committees

Dick Mayer January 22, 2020

Items can be referred to the Advisory Committees by the County Council, County Departments, and the County's Boards and Commissions.

Advisory Committee meeting schedules should be on an "As Needed" basis.

Meetings at time and place when most community members could attend.

No need for detailed minutes.

Record all motions, conditions, votes, and recommendations.

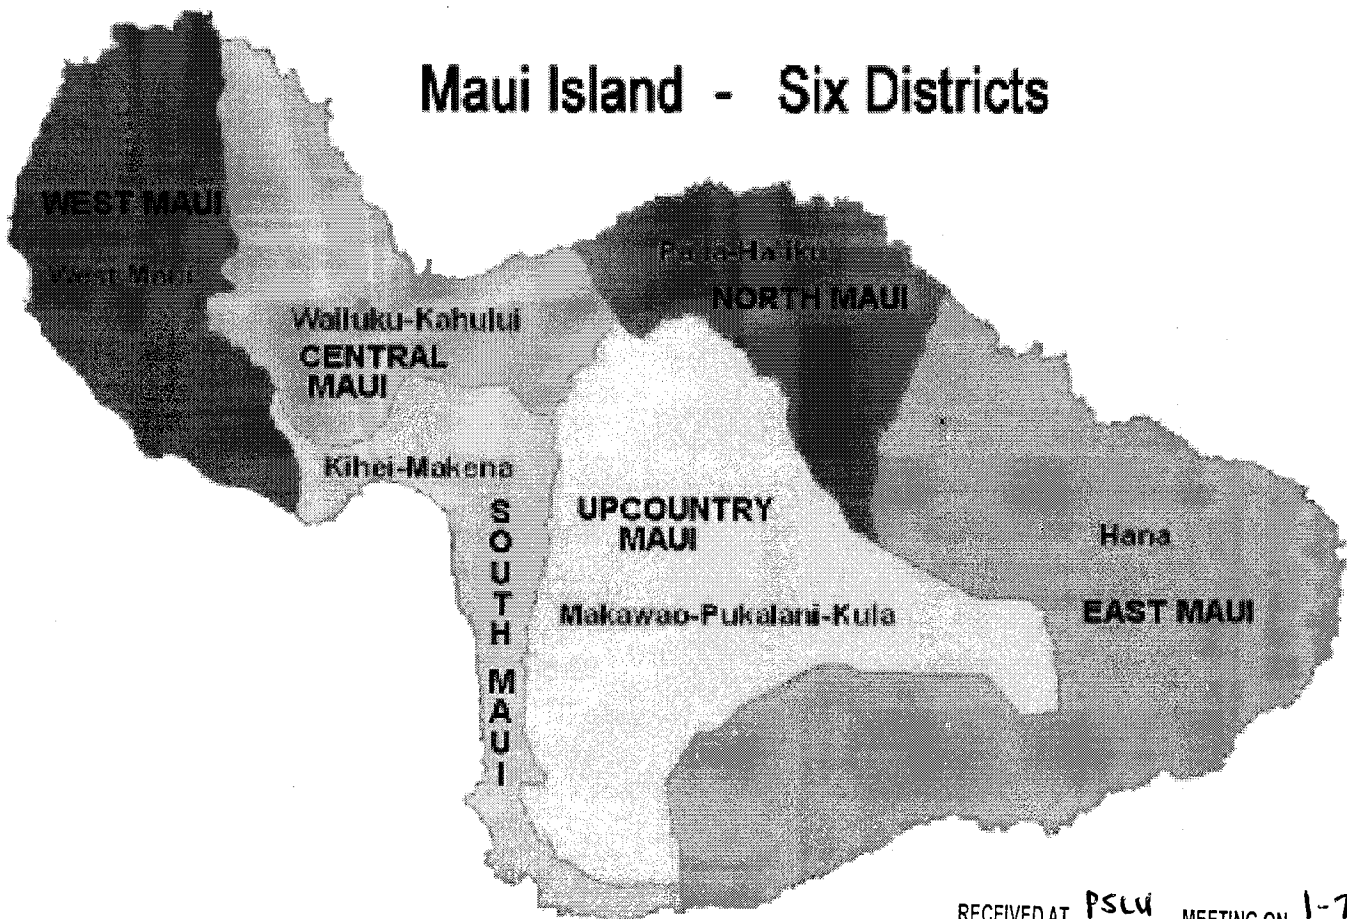

Advisory Committee could initiate recommendations, but never have final authority.

Move Spreckelsville to Haiku-Paia Community Plan District.

Since each district has multiple communities, there is a problem with "Community" Advisory Plan title. Therefore, refer to these committees as "District Advisory Committees". **Maui Island now has six Community Plan Districts. Each district should have its own "District Advisory Committee".**

South Maui District Advisory Committee
North Maui District Advisory Committee
West Maui District Advisory Committee

Central Maui District Advisory Committee
Upcountry Maui District Advisory Committee
East Maui District Advisory Committee

RECEIVED AT PSLI MEETING ON 1-22-2020
