RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee Aloha! Please help support Makila Farms along with Greg Brown I'm helping our community be able to get homes that are affordable for our families in Lahaina. I have lived here most of my adult life and never was able to own something of my own. It's a shame as we all work hard and the struggle is real. With working two jobs each to maintain a decent lifestyle is totally unacceptable especially that we are not even living decently and we are born and raised here.

I appreciate Greg Brown helping our community and children to be able to have a chance to have something. Everyone is so busy being concern about other things that they have forgotten our people. With this in mind, we need people to have a village. It's a circle. Helping each other to be better.
