Hawai‘i Revised Statutes, Chapter 343

- The project will utilize County lands and County and State funds.
- Early Consultation Letters went out to 43 Federal, State, and County agencies, organizations, and individuals on May 26, 2022
- The Draft Environmental Assessment (EA) is being prepared. Agencies, organizations, and individuals will have the opportunity to provide further comments once the Draft EA is published with the Environmental Review Program (ERP)
- A Final EA will address comments received during the Draft EA comment period and a determination made if the project can be issued a Finding of No Significant Impact (FONSI)
- Approving agency of the EA will be the OED

Other Regulatory Considerations

- Compliance with the Department of Army
 - Preliminary Jurisdictional Determination, if applicable
 - Section 401 Water Quality Certification application, if applicable
- Coastal Zone Management (CZM) Consistency Review application, if applicable
- Section 106 Consultation, if applicable
- Section 7 Consultation, if applicable
- Stream Channel Alteration Permit (SCAP), if applicable

MAHALO!
