Dear Chair Guzman:

**SUBJECT: HAWAII STATE ENERGY CONSERVATION CODE (PRL-12)**

This is in reply to your July 16, 2018 letter on the subject matter. We have been reviewing the Energy Code changes and already discussed proposed changes on the administrative matters of the Code with the Department of the Corporation Counsel.

We have also prepared draft changes to the Energy Code that have been recently circulated to various interest groups including Blue Planet, the Maui Chapter of the American Institute of Architects, the Construction Industry of Maui, and Hawaii Energy.

After receiving comments from these organizations, we will compile a final draft of our proposed amendments to the Energy Code for the Department of the Corporation Counsel's final review and preparation of a draft bill.

Honorable Alan M. Arakawa  
For Transmittal to:  
Honorable Don S. Guzman, Chair  
July 19, 2018

I anticipate getting the draft bill to the Council in the next two (2) months.

If you have any further questions, please let me know.

Sincerely,
