**HEALTHY FAMILIES AND
COMMUNITIES COMMITTEE**

**Committee
Report No. _____**

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Healthy Families and Communities Committee, having met on June 6, 2019, makes reference to County Communication 18-318, from the Director of Parks and Recreation, transmitting a proposed resolution to authorize amendments to the license agreement for use of the Lahaina Civic Center each November for the Maui Invitational Basketball Tournament through the year 2030.

Your Committee notes the Council's Parks, Recreation, Energy, and Legal Affairs Committee (2017-2019 Council term) met and discussed this matter on October 30, 2018, and November 13, 2018.

By correspondence dated May 29, 2019, the Director of Parks and Recreation transmitted a revised proposed resolution entitled "AUTHORIZING THE PROPOSED MAUI INVITATIONAL BASKETBALL TOURNAMENT LICENSE AGREEMENT, PURSUANT TO SECTION 13.04A.100, MAUI COUNTY CODE." The purpose of the revised proposed resolution is to permit the facility to be used by licensee Kemper Sports Marketing, Inc., for the Maui Invitational Basketball Tournament for 12 days each November from 2021 through 2030.

Your Committee notes the Maui Invitational has been a premier early-season college basketball tournament every year since 1984. The current license agreement expires after the 2020 tournament. Though the tournament is only three days—the Monday through Wednesday preceding Thanksgiving—the license period is for 12 days each year to allow for pre- and post-tournament activities at the site.

Your Committee further notes Chapter 13.04A, Maui County Code, provides that the reserved use of a County recreational facility requires a permit, which must be approved by the Council by resolution if the use exceeds five days.

The license agreement that would be authorized by the revised proposed resolution incorporates revised terms, as outlined below.

Item	Existing license agreement (through 2020)	New license agreement (2021-2030)
Site rental fee	\$4,800 per year	2021-2025: \$37,677 2026-2030: Increased by not more than 25%
Custodial deposit fee	\$1,000 per year	\$3,000 per year
Key deposit fee	\$25 per year	\$1,500 per year
Secure storage on site	Included	No longer included
Concession space for the County	N/A	Included

Your Committee received a presentation from Tom Valdiserri, Executive Vice President, Kemper Sports Marketing, Inc., on the tournament's social and economic benefits to Maui County, including the sponsorship of youth basketball clinics and fundraising for the Maui Food Bank.

The presentation also noted the substantial media exposure Maui County receives during the tournament. Mr. Valdiserri said the

tournament provides a conduit for public-service messages on ocean safety, environmental protection, and Hawaiian culture.

Eight testifiers highlighted the tournament's benefits to local businesses and commended the licensee for its support of the community.

Your Committee noted the popularity of college basketball throughout the nation and the Maui Invitational Basketball Tournament's strong reputation among basketball coaches, players, and fans and in sports media. Your Committee further noted the tournament is currently branded as the Maui Jim Maui Invitational.

Your Committee also noted there is more competition than ever before among early-season college basketball tournaments, and improvements to the Lahaina Civic Center are warranted to ensure the Maui Invitational Basketball Tournament maintains its preeminent position. The Director of Parks and Recreation acknowledged necessary improvements may include the upgrading of electrical infrastructure, locker rooms and showers, parking areas, and the surface of the basketball court. The fee increases could help fund some of the improvements.

In addition, your Committee noted the Maui Invitational Basketball Tournament has proven beneficial for the local visitor industry and overall economy. The week leading up to Thanksgiving is traditionally not among the times when hotel occupancy is at its highest. So the arrival of basketball fans at that time is welcome. In addition, many of the fans are first-time visitors to Maui County and may become recurrent visitors.

Your Committee expressed its support for the County's continued partnership with Kemper Sports Marketing, Inc., the Maui Invitational Basketball Tournament, and the revised license agreement.

No remedy granted to Licensor is intended to be exclusive of any other remedy herein or by law provided, but each shall be cumulative and shall

be in addition to every other remedy given hereunder or now or hereafter existing at law, in equity, or by statute. No delay or omission by Licensor to exercise any right accruing upon an Event of Default shall impair Licensor's exercise of any right or shall be construed to be a waiver of any Event of Default or acquiescence thereto.

(i) Seek specific performance of Licensor's obligations or injunctive relief, as applicable;

(iii) Proceed to remedy the Event of Default, and in connection with such remedy, Licensee may pay all expenses and employ counsel. All sums so expended or obligations incurred by Licensee in connection therewith shall be paid by Licensor to Licensee, upon demand by Licensee, and on failure of such reimbursement, Licensee may, at Licensee's option, deduct all costs and expenses incurred in connection with remedying the Event of Default from any sums due to Licensor from Licensee under the terms of this Agreement and/or seek said reimbursement from Licensor, and Licensor agrees to be responsible for all costs, damages, expenses, and reasonable attorneys' fees incurred as the result of Licensee's actions to obtain reimbursement; and

(iv) Terminate this Agreement by Licensee's written notice of termination to Licensor.

No remedy granted to Licensee is intended to be exclusive of any other remedy herein or by law provided, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law, in equity, or by statute. No delay or omission by Licensee to exercise any right accruing upon an Event of Default shall impair Licensee's exercise of any right or shall be construed to be a waiver of any Event of Default or acquiescence thereto.

c. Litigation. In the event of any litigation under or respecting this Agreement, the prevailing Party shall be entitled to reasonable attorneys' fees and court costs through all pretrial, trial, appellate, administrative, and post-judgment proceedings.

9. Waiver or Modification of the Agreement. No waiver or modification of this Agreement, or any covenant, condition, or limitation contained in the Agreement, shall be valid unless in writing and duly executed by the Party to be charged. No

evidence of any waiver or modification shall be offered or received in evidence in any proceeding, arbitration or litigation between the Parties arising out of, or affecting the rights or obligations of, the Parties to this Agreement, unless such waiver or modification is in writing and duly executed by the Party to be charged. The Director or a designated representative retains the reasonable discretion to approve or disapprove Licensee's concessionaires based on reasonable health, safety, and welfare considerations and shall do so within ten (10) days after notification from Licensee. Licensee agrees to obtain all necessary permits to operate any concessions and agrees to install any and all temporary concession booths at Licensee's or other private entities' expense. Licensor shall cooperate with Licensee as reasonably necessary to obtain any such permits.

b. Licensor acknowledges and agrees that the Activities will be recorded and broadcast by Licensee (itself or through third parties) via various media, including television. Licensee shall own all rights, including intellectual property rights, related to any such recordings or broadcasts and Licensor hereby waives any and all rights in connection with the ownership of any such recordings or broadcasts.

c. In connection with the Activities, Licensee agrees:

(i) To be responsible for any and all costs arising from the use of patented and/or copyrighted materials, equipment, devices, processes, or dramatic rights used on or incorporated in the conduct of the Activities permitted by this Agreement.

(ii) To secure licenses to use copyrights and similar permissions as necessary in connection with the Activities permitted by this Agreement.

Thereafter, the Annual License Fees shall not increase for any License Period through the end of Fiscal Year 2025 notwithstanding any increases in the applicable fees by permit in any applicable Schedule, provided, however, the Annual License Fee shall be reduced to reflect any net decrease in applicable fees by permit for any License Period through Fiscal Year 2025.

For the License Period from 2026 through 2030, the Annual License Fee shall be calculated as the sum of the fees by permit for the specific facilities identified in the table below as such fees by permit are set forth in the Schedule as enacted by the Maui County Council for Fiscal Year 2026, and thereafter shall not increase for any License Period through the end of Fiscal Year 2030 notwithstanding any increases in the applicable fees by permit in any applicable Schedule, provided however, that (i) any resulting increase in the Annual License Fee for the 2026 – 2030 period shall not exceed 25% of the Annual License Fee in effect for the prior period (i.e. 2021 -2025) and (ii) the Annual License Fee shall be reduced to reflect any net decrease in applicable fees for any License Period through Fiscal Year 2030. The 25% cap specified herein is set in order to provide the Parties with certainty of fees and expenses and to enable logistics and economic planning well in advance of each License Period. Licensor shall provide to Licensee the applicable upcoming Fiscal year Schedules at least one year prior to each License Period during the Term.

Licensor acknowledges and agrees that it will not receive, and it has no right to receive, any portion of ticket charges, sponsorship fees, concession revenues, broadcast fees, or other fees or revenues received by Licensee in connection with the Activities. d. Licensee is hereby authorized to use the Premises for the Activities between 8:00 a.m. and 10:00 p.m. (Hawaii Standard Time) beginning on the date which is seven (7) days before the Maui Invitational Tournament and ending on the date that is two (2) days after the end of the Maui Invitational Tournament. The Maui Invitational Tournament shall take place on the following dates (unless the parties agree to other dates in writing): November 22, 23, and 24, 2004; November 21, 22, and 23, 2005; November 20, 21, and 22, 2006; November 19, 20, and 21, 2007; November 24, 25, and 26, 2008; November 23, 24, and 25, 2009; November 22, 23, and 24, 2010; November 21, 22, and 23, 2011; and November 19, 20, and 21, 2012. Any additional access to the Premises is subject to the reasonable approval and discretion of the Director. The Director has reasonable discretion to designate the locations where equipment and/or materials may be stored by Licensee prior to and after the Activities.

e. Licensee shall use its best efforts to accommodate previously scheduled meetings of groups in the social hall of the Premises during the seven (7) day period before the Maui Invitational Tournament. Licensee shall be permitted to remove personnel, equipment and/or materials up to two (2) calendar days after the date the Activities are concluded. Licensee shall remove all of its personnel, equipment, and materials from the Premises before such date, unless otherwise extended by the Director. In the event Licensee fails to remove its equipment and/or materials before such time, Licensor shall have the right to remove and transport the same to storage at Licensee's expense, and Licensee waives and releases Licensor from all claims for damages or loss incurred in connection with said removal or storage.

f. No risk, liability, or responsibility for any loss or damage to Licensee's property is assumed by Licensor, and Licensee shall not make any claim, either in law or in equity, for any loss or damage incurred, unless caused by the negligence or willful misconduct of Licensor or its employees or agents.

g. Licensee shall not use, generate, manufacture, treat, handle, refine, produce, store, discharge, release, dispose of or allow to exist on or about the Premises, any hazardous material, except in full compliance with all applicable federal, state, and county environmental laws and with prior written consent of Licensor. Licensee shall have no responsibility for hazardous materials brought to the Premises by anyone other than Licensee or its employees or agents or hazardous materials existing at the Premises prior to the time Licensee accessed the Premises.

4. Nature of this License. Licensee and Licensor agree that the nature of this license is as follows:

a. By this Agreement, Licensor grants a license to Licensee allowing Licensee to enter and use the Premises for the specific and limited purpose and during the time periods stated herein.

b. This license grants Licensee a personal privilege to use the Premises for the particular purpose set forth herein. This license cannot be extended to purposes other than the specific and limited purpose stated herein without amendment of this Agreement. If Licensee exceeds the scope of the license, Licensor may treat Licensee as a trespasser.

c. This license does not convey to Licensee any interest in the land of Licensor and shall not be construed as an easement or a lease. Licensee holds no estate in the Premises. At all times hereunder, Licensor retains legal possession of the Premises, and Licensee has only a personal privilege to enter for the particular purpose stated herein. Except as otherwise provided for herein, Licensor shall retain ownership of all improvements of whatever kind or nature located on or about the Premises, including all improvements that may be made during the Term of, or pursuant to, this Agreement, unless otherwise agreed by the Parties prior to making any such improvements.

d. This license does not convey exclusive possession of the Premises to Licensee except to the extent necessary to carry out the Activities. Licensor reserves unto itself, its successor and assigns the full use and enjoyment of the Premises and the right to grant to others rights and privileges for any and all purposes affecting the Premises, except to the extent that there is a conflict with or frustration of the purpose of this license. Notwithstanding the foregoing, Licensor agrees that it will not permit other parties to use the Premises while the Activities are taking place.

e. This license is personal in nature and is limited to the undersigned Parties and is not assignable without the prior written consent of both Parties.

5. Acceptance of Premises, Repairs, Alterations, Improvements Thereon, and Ownership of Improvements.

a. Licensee accepts the Premises in the conditions they are in at the commencement of the license and agrees to make no alterations, additions, excavations, or improvements to the Premises without Licensor's prior written consent.

b. Licensor shall at all times during the Term maintain the Premises and any improvements thereof in good condition and repair and ensure that the Premises and any improvements thereof are suitable for the conduct of the Activities.

c. Licensor shall at all times maintain the Premises, including the playing floor, in accordance with the latest National Collegiate Athletic Association ("NCAA") regulations and standards in effect.

d. Licensor shall allow Licensee to use all ancillary equipment and materials made available to Licensee by Licensor in connection with Activities taking place prior to the date of this Agreement.

e. Licensee understands that an air conditioning system has been installed on the Premises, and Licensor agrees that it shall maintain such air conditioning system in good working order throughout the Term.

f. Licensee and Licensor shall conduct a "walk-through" inspection of the Premises 30 days prior to each year's Activities and Licensee may request and Licensor may make reasonably necessary repairs prior to the Activities.

g. Except as otherwise provided herein, Licensor has made no representations or warranties concerning the conditions of the Premises or their suitability for the use intended to be made thereof.

h. Licensee agrees to accept and assume all reasonable risks with respect to entry upon the Premises and the conditions thereof, including without limitation any latent or patent conditions. Licensor represents and warrants that, as of the effective date of this Agreement, it is not aware of any latent or patent conditions at the Premises which would interfere with the Activities or other terms and provisions of this Agreement. To the extent that, after the effective date of this Agreement, Licensor becomes aware of any latent or patent conditions at the Premises which would interfere with the Activities or other terms and provisions of this Agreement, Licensor shall promptly notify Licensee of such conditions.

i. Licensee shall maintain the Premises and any improvements thereof in the condition in which they existed prior to Licensee's occupancy of the Premises, normal wear and tear excepted. Licensee shall pay to Licensor the actual reasonable cost of repairs or replacements for any and all damages caused by the Activities within thirty (30) calendar days after notification of the cost of such repairs or replacements.

6. Fees. In lieu of the requirements of § 13.040.090 of the Maui County Code, Licensee shall pay the following fees annually with respect to the use of the Premises for the Activities:

a. For the year 2004 the rental fee for use of the Premises for the Activities shall be \$2,400.

b. Beginning in 2005 and continuing through 2012, the annual rental fee for use of the Premises for the Activities shall be \$4,800.

c. The custodial deposit fee shall be \$1,000 per year.

d. The key deposit fee shall be \$25 per year.

Licensee shall give written notice of cancellation and return any unused permits and keys to the Director not less than sixty (60) days before each year's Activities. If Licensee fails to give written notice of cancellation or return any issued permits or key within such time period, Licensee shall pay a cancellation fee equal to the full amount of the fees described in this Section 6 applicable to such year.

Licensor acknowledges and agrees that it will not receive, and it has no right to receive, any portion of ticket charges, sponsorship fees, concession revenues, broadcast fees or other fees

or revenues received by Licensee in connection with the Activities. Any such fees and revenues will be the sole property of Licensee.

7. Default. The occurrence of any one or more of the following events which is not cured in any applicable grace period shall constitute a default under this Agreement (an "Event of Default"):

a. Either Party's failure to pay any sums payable under this Agreement when and as the same shall become due and payable and such failure shall continue for a period of thirty (30) days after written notice thereof (specifying the item not paid) from the other Party.

b. Either Party's failure to comply with any of the covenants, agreements, terms, or conditions contained in this Agreement and such failure shall continue for a period of thirty (30) days after written notice thereof from the other Party specifying in detail the nature of such failure. Notwithstanding the foregoing, in the event any failure cannot with due diligence be cured within such 30-day period, if the defaulting Party proceeds promptly and diligently to cure the same and thereafter diligently prosecutes the curing of such failure, the time within which the failure may be cured shall be extended for such period as may be reasonably necessary for the defaulting Party to cure the failure.

c. Licensor's failure, at any time, to make available the Premises for the Activities for reasons within the reasonable control of Licensor, in which case, notwithstanding anything to the contrary in this Agreement, Licensor shall use its best efforts to make available a comparable facility for Licensee to use for the Activities, which facility Licensee shall have the option of using in Licensee's sole discretion. For the purposes of this Agreement, the Lahaina Civic Center in Lahaina, Hawaii and the War Memorial Complex in Wailuku, Hawaii shall each constitute a comparable facility. Licensee understands that the War Memorial Complex is not air conditioned, and Licensee accepts said facility as a comparable facility, as is. The provision of a comparable facility by Licensor, whether accepted or rejected by Licensee, shall not limit or preclude any other remedies to which Licensee is entitled pursuant to Section 8.b. of this Agreement. Furthermore, acceptance or rejection of a comparable facility by Licensee shall not constitute a waiver of any other remedies to which Licensee is entitled pursuant to Section 8.b. of this Agreement.

8. Parties' Remedies.

a. Upon the occurrence of an Event of Default by Licensee (and after expiration of any applicable grace period), Licensor may:

(i) Seek specific performance of Licensee's obligations or injunctive relief, as applicable;

(ii) Demand payment of any amounts due Licensor under the terms of this Agreement and demand the payment of all costs, damages, expenses, and reasonable attorneys' fees of Licensor arising due to Licensee's Event of Default;

(iii) Proceed to remedy the Event of Default, and in connection with such remedy, Licensor may pay all expenses and employ counsel. All sums so expended or obligations incurred by Licensor in connection therewith shall be paid by Licensee to Licensor, upon demand by Licensor, and on failure of such reimbursement, Licensor shall seek said reimbursement from Licensee, and Licensee agrees to be responsible for all costs, damages, expenses, and reasonable attorneys' fees incurred as the result of Licensor's actions to obtain reimbursement; and

(iv) Terminate this Agreement by written notice of termination to Licensee. Upon proper termination of this Agreement Licensee shall surrender possession of the Premises to Licensor.

No remedy granted to Licensor is intended to be exclusive of any other remedy herein or by law provided, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law, in equity, or by statute. No delay or omission by Licensor to exercise any right accruing upon an Event of Default shall impair Licensor's exercise of any right or shall be construed to be a waiver of any Event of Default or acquiescence thereto.

b. Upon the occurrence of an Event of Default by Licensor (and after expiration of any applicable grace period), Licensee may:

(i) Seek specific performance of Licensor's obligations or injunctive relief, as applicable;

(ii) Demand payment of all amounts due Licensee under the terms of this Agreement and demand the payment of all costs, damages, expenses, and reasonable attorneys' fees of Licensee due to Licensor's Event of Default;

(iii) Proceed to remedy the Event of Default, and in connection with such remedy, Licensee may pay all expenses and employ counsel. All sums so expended or obligations incurred by Licensee in connection therewith shall be paid by Licensor to Licensee, upon demand by Licensee, and on failure of such reimbursement, Licensee may, at Licensee's option, deduct all costs and expenses incurred in connection with remedying the Event of Default from any sums due to Licensor from Licensee under the terms of this Agreement and/or seek said reimbursement from Licensor, and Licensor agrees to be responsible for all costs, damages, expenses, and reasonable attorneys' fees incurred as the result of Licensee's actions to obtain reimbursement; and

(iv) Terminate this Agreement by Licensee's written notice of termination to Licensor.

No remedy granted to Licensee is intended to be exclusive of any other remedy herein or by law provided, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law, in equity, or by statute. No delay or omission by Licensee to exercise any right accruing upon an Event of Default shall impair Licensee's

exercise of any right or shall be construed to be a waiver of any Event of Default or acquiescence thereto.

c. Litigation. In the event of any litigation under or respecting this Agreement, the prevailing Party shall be entitled to reasonable attorneys' fees and court costs through all pretrial, trial, appellate, administrative, and post-judgment proceedings.

9. Waiver or Modification of the Agreement. No waiver or modification of this Agreement or any covenant, condition, or limitation contained in the Agreement shall be valid unless in writing and duly executed by the Party to be charged. No evidence of any waiver or modification shall be offered or received in evidence in any proceeding, arbitration or litigation between the Parties arising out of, or affecting the rights or obligations of, the Parties to this Agreement, unless such waiver or modification is in writing and duly executed by the Party to be charged. The Parties further agree that the provisions of this Section may not be waived except as set forth above.

10. Sponsorship; Publicity. Licensor acknowledges and agrees that the Maui Invitational Tournament and the Activities may have sponsors selected by Licensee and the name or names of one or more of the sponsors may be used in the name of the Maui Invitational Tournament and in connection with the advertising and promotion of the Activities. In addition, Licensee shall give Licensor appropriate recognition in all printed materials relating to the Activities. The wording of such recognition shall be approved by Licensor prior to printing and/or use. Licensor agrees not to undertake any publicity or promotional activities relating to the Activities or use the name of Licensee in any printed materials without the prior consent of Licensee.

11. Staffing. Licensee shall provide adequate staffing necessary to operate the Premises, including but not limited to ticket takers, emergency medical services personnel, security personnel, traffic control personnel, cleaning personnel, and public address announcers.

12. Concessions and Parking.

a. Licensor shall review and approve within ten (10) days after notification from Licensee the number, scope and location of all food, beverage and merchandise concessions to be used at the Premises in connection with the Activities. Licensee shall administer all concessions, which may include professional restaurants selected by Licensee, provided Licensee also utilizes non-profit organizations from Maui, Molokai, or Lanai. The Director or his designated representative retains the reasonable discretion to approve or disapprove of concessionaires based on reasonable health, safety, and welfare considerations and shall do so within ten (10) days after notification from Licensee. Licensee agrees to obtain all necessary permits to operate any concessions and agrees to install any and all temporary concession booths at Licensee's or other private entities' expense. Licensor shall cooperate with Licensee as reasonably necessary to obtain such any such permits.

b. Licensee shall manage, supervise and control parking during the Activities in the parking areas identified on Exhibit A attached hereto.

13. Insurance and Indemnification.

a. Licensee shall:

(ii) Obtain and maintain at Licensee's expense during the Term and any executed extension thereof, Comprehensive General Liability insurance written by a United States insurance company in the amount of FIVE MILLION DOLLARS (\$5,000,000), which insurance shall: (1) provide personal injury and standard product liability protection; (2) list Licensor as additional insured; and (3) cover the entire Premises, including all buildings, improvements, parking lots, or parking areas and grounds, all roadways or sidewalks on or adjacent to the Premises in the control or use of Licensor or Licensee, and any and all facilities, premises, and vehicles used in conjunction with said Activities.

(iii) Provide Licensor with evidence of insurance coverage as required herein within thirty (30) days following the execution of this Agreement.

(iv) Furnish Licensor with certificates showing the insurance policies required herein to be in force and shall furnish like certificates upon each renewal of the policies, each certificate to contain or be accompanied by a statement that the insurer will endeavor to notify Licensor of any intention to cancel the policy sixty (60) days before actual cancellation and name the County of Maui as an additional insured. The procuring of the insurance policies required herein shall not release or relieve Licensee of responsibilities or limit the amount of its liability under this Agreement. Licensee shall require all insurers to give Licensor at least sixty (60) days prior written notice of any modification or cancellation.

b. Licensee acknowledges that Licensor has provided to Licensee written documentation that Licensor is adequately self-insured as of the date of this Agreement. Licensor agrees that it shall maintain its assets with sufficient liquidity as is necessary to continue to be adequately self-insured during the term of this Agreement.

14. Proprietary Information and Intellectual Property Rights.

a. All information developed by Licensee in relation to the Activities, including, without limitation, all promotional, marketing, sales and operating strategies, programs, software, technology, and other confidential or proprietary information, shall be the exclusive property of Licensee and Licensor may not use or disclose such proprietary information without the advance written consent of Licensee.

b. Licensor acknowledges and agrees that the Activities will be recorded and broadcast by Licensee (itself or through third parties) on media including television. Licensee shall own all rights, including intellectual property rights, related to any such recordings or broadcasts and Licensor hereby waives any and all rights in connection with the ownership of any such recordings or broadcasts.

c. In connection with the Activities, Licensee agrees:

Similarly, Licensee makes no guarantees, representations or warranties regarding revenue or net income to be derived by Licensor from tourism or other ancillary revenues associated in any way with the Activities.

b. Licensor reserves the right to schedule and proceed with Premises maintenance during the Term; provided, however, that Licensor will perform maintenance during the Activities only with the prior approval of Licensee.

c. Licensor shall not be liable for any loss to any personal property, goods, or services associated with the Activities, except to the extent any such loss is due to the negligence or willful misconduct of Licensor, its employees, agents or others for whom it is responsible.

d. In the case of destruction of the Premises, Licensee shall not be entitled to any compensation or damages from Licensor for Licensee's use of the whole or any part of the Premises, or any third party, or any inconvenience or annoyance occasioned by any damage, repair, or restoration, except to the extent any such loss is due to the negligence or willful misconduct of Licensor, its employees, agents or others for whom it is responsible.

16. Compliance with Laws.

b. When performance is prevented by an act of the public enemies, or by strike, lockout, Acts of God, acts of government in either its sovereign or contractual capacity (excluding Licensor), condemnation or eminent domain proceedings affecting the Premises (not initiated by Licensor), terrorism, floods, epidemics, quarantine restrictions, fire, delay in transportation, extreme storms, or unavoidable casualty; or

c. With respect to Licensee, if the NCAA does not for any reason certify the Activities (in the form they have been conducted prior to the date of this Agreement) as an NCAA-certified tournament.

If performance is excused and any Activities cannot be held in the Premises, Licensor shall use its best efforts to make available a comparable facility for Licensee to use for the Activities. For the purposes of this Agreement, the Lahaina Civic Center in Lahaina, Hawaii and the War Memorial Complex in Wailuku, Hawaii shall each constitute a comparable facility. Licensee understands that the War Memorial Complex is not air conditioned, and Licensee accepts said facility as a comparable facility, as is. If Licensor exercises his rights in accordance with this Section, Licensee shall

bear all expenses or losses in full and shall not take or allow to be taken any action for damages against Licensor, provided that Licensor shall exercise best efforts to allow resumption and continuation of the Activities as soon as reasonably possible in consideration of the live television broadcast and the costs and expenses to Licensee associated with the Activities.

a. A determination that any provision of this Agreement is invalid or unenforceable shall not invalidate this Agreement, all of said provisions being inserted conditionally on their considered legally valid, and this Agreement shall be construed and performed in all respects as if such invalid or unenforceable provisions were omitted.

b. Should any provision of this Agreement be declared or be determined by any court to be illegal or invalid, the validity of the remaining parts, terms or provisions shall not be affected thereby and said illegal or invalid part, term, or provision shall not be deemed a part of this Agreement.
