re: EAR-63

Dear Chair Guzman:

I am a long time resident, property owner and business owner in Paia.

I am writing in opposition to the proposed resolution to authorize Maui County to lease the Old Maui High School Site (Hamakuapoko) to Teach Development LLC. I feel that many developers make false promises to protect and preserve the local culture and environment. After attending their presentation at Old Maui High last week, I am unconvinced that they will actually come through on their promises.

I would like to respectfully request the county defer this proposed resolution. I believe TEACH LLC has not done their due diligence to host community meetings and outreach.

Mahalo!
