Chairperson Robert Carroll and Members of the Maui County Council Land
Use Committee

TESTIMONY: Item LU 45 Planning Department's Audit of
Title 19 Maui County Code

Aloha,

This Audit fails to incorporate changes to Title 19 occurring in 1991. The Chapter relates to administration of the Building permit process and the participation of the Planning Department in the permitting of structures to insure structures are compatible with land use districts and Community Plan Boundaries. At this point the Audit is useless.

I believe the Audit is incomplete and should be made to include these regulatory issues in both its conclusions and analysis. In the alternative I request that the Audit be filed.

Mahalo
