OPPOSITION TO ESTABLISHING OWNERSHIP DURATIONAL
REQUIREMENTS FOR SHORT-TERM
RENTAL HOME PERMIT
APPLICATIONS (LU-7)

My name is Jacque Delaunay and I own a permitted vacation rental. On Maui we are fortunate to have a permit process for TVR's which the other islands don't have. I know the Land Use Committee spent a lot of time coming up with this permitting process. There is a limit, within each district, as to how many vacation rentals are allowed. The need to add a 5 year ownership policy to this process does not make any sense. If there are still permits available within each district and owners meet all current regulations, that should be sufficient.

Sincerely,
Jacque Delaunay
