Subject: Written Testimony for Don Guzman Confirmation Hearing

Aloha,

As a former intern under Don Guzman, I would like to extend my support for his appointment as the head of the county prosecutor's office. During my time working with Don, he was a diligent and professional individual who always made an effort to understand all angles of an issue before resolving the matter with sensible judgement. I have no doubt that Don would excel at this position and promote a higher sense of ethics and solidarity within the county.
