Department of Police
County of Maui
Wailuku, Hawaii 96793

Dear Chief Faaumu:

**SUBJECT: KANAHA BEACH PARK MASTER PLAN
IMPLEMENTATION PROJECT (CBS-4583) (HFC-5)**

At its meeting of February 14, 2019, the Healthy Families and Communities Committee received a status update on the Kanaha Beach Park Master Plan Implementation Project (CBS-4583) ("Master Plan").

May I please request the Department of Police respond to the following:

1. One of the key recommendations in the Executive Summary Kanaha Beach Park Master Plan is to "create a safer and more secure environment."
 - a. Provide comments on the proposed development of a park headquarters on site, which includes a ranger station and appropriate staffing. The headquarters is proposed to address safety and security concerns in the park, in addition to serving as an information center.
 - b. Provide your thoughts to staff the headquarters with a police officer to address the park's safety and security concerns. Additionally, what has the Department implemented to assist with safety and security issues currently, including the response time to address these issues?
