ORDINANCE NO. _____

BILL NO. _____ (2017)

A BILL FOR AN ORDINANCE ESTABLISHING A NEW CHAPTER 20.40, MAUI COUNTY CODE, DECLARING A MORATORIUM ON SAND MINING

BE IT ORDAINED BY THE PEOPLE OF THE COUNTY OF MAUI:

SECTION 1. Title 20, Maui County Code, is amended by adding a new chapter to be appropriately designated and to read as follows:

“Chapter 20.40

**MORATORIUM ON SAND MINING OF
CENTRAL MAUI INLAND SAND**

Sections:

- 20.40.010 Purpose.
- 20.40.020 Definitions.
- 20.40.030 Moratorium on sand mining of Central Maui inland sand.
- 20.40.040 Exceptions.
- 20.40.050 Penalty.
- 20.40.060 Administrative rules.
- 20.40.070 Administrative enforcement.
- 20.40.080 Adjustment by director.
- 20.40.090 Term.

20.40.010 Purpose. The purpose of this chapter is to declare a moratorium on mining of Central Maui inland sand to conduct further analysis required to establish regulations for mining inland sand to protect Maui’s environment and limited natural resources and prevent the disturbance of Hawaiian historical, cultural, or archaeological sites, and unmarked human burial sites. The Maui Inland Sand Resource Quantification Study (2006) found the remaining inland sand inventory is limited to approximately 970,000 tons. Given the finite nature of this important natural resource, it is necessary to limit and regulate the mining of inland

sand until such time as an ordinance regulating the mining, extracting, excavating, or stockpiling of inland sand is adopted.

20.40.020 Definitions. Whenever used in this chapter, the following words shall have the meaning indicated:

“Central Maui inland sand” means inland sand deposits on vacant land, sand dunes, historical, cultural and environmentally sensitive areas that start downwind of the mouth of Waihee River, continues generally parallel along the Waiehu coastline to the stockpile at Paukukalo, to the extension of Pu’unene Avenue at the coastline, then continues south on Pu’unene Avenue to the intersection of Mokulele Highway and follows Mokulele Highway to North Kihei Road, to Honoapiilani Highway, to Main Street, to Kahikili Highway, and back to Waihee River. The map entitled “Moratorium on Sand Mining” dated _____ delineates the affected areas of the moratorium and shall be on file in the Office of the County Clerk with certified copies being place on file in the Departments of Planning and Public Works and shall be deemed to be incorporated herein by reference.

“Inland sand” means “sand”, as defined in Section 20.08.020 of this code, located inland (mauka) from the “shoreline area”, as defined in Section 205A-41, Hawaii Revised Statutes.

“Lot” shall have the same meaning as set forth in section 19.04.040 of this code.

“Sand mining” means activities related to the extraction or removal of sand from its original, natural location.

20.40.030 Moratorium on sand mining of Central Maui inland sand. No person shall conduct sand mining of Central Maui inland sand notwithstanding the provisions in title 19 and chapter 20.08 of this code.

20.40.040 Exceptions. Sand mining of Central Maui inland sand shall be permitted during the term of the moratorium as follows, provided that an exception pursuant to this section does not obviate the need to obtain other permits or approvals:

A. Mining of Central Maui inland sand for purposes of rebuilding or enhancing the protective capacity and environmental quality of coastal dunes, as defined in section 20.08.020 of this title.

B. Mining of Central Maui inland sand used for activities such as land management for agriculture, landscaping, and related uses as described in subsection 20.08.030(C) of this title within the same lot.

C. Excavation or grading of Central Maui inland sand directly related to on-site construction for purposes other than

mining or quarrying, where no such sand is transported outside the same lot.

D. Activities required to comply with County, State, or Federal regulations.

E. The limited exclusions described in section 20.08.031 of this title.

20.40.050 Penalty. Any person who violates any provision of this chapter shall upon conviction, be guilty of a petty misdemeanor subject to fine up to \$1,000 or imprisonment for not more than one-year, or both. Each day of each violation shall constitute a separate offense.

20.40.060 Administrative rules. The director of public works may adopt administrative rules to implement this chapter, pursuant to chapter 91, Hawaii Revised Statutes.

20.40.070 Administrative enforcement. The director of public works shall enforce this chapter pursuant to section 19.530.030 of this code, relating to administrative enforcement.

20.40.080 Adjustment by director. The director may, subject to council approval by resolution, authorize a reduction, adjustment, or waiver of any provision of this chapter

20.40.090 Term. The ordinance codified in this chapter shall automatically expire _____, unless reenacted by the council as provided by law.”

SECTION 2. This ordinance shall take effect upon its approval.

APPROVED AS TO FORM AND LEGALITY:

County of Maui
