## 1:30pm, TODAY Monday Civic Improvement Districts - Dangerous Provision

Aloha,

The Council's Water and Infrastructure Committee (Alice Lee, Chair) will take up **a very powerful new ordinance at 1:30pm Monday afternoon, November 18 (today)** to establish Civic Improvement Districts. [AGENDA](#)  
[Proposed Ordinance](#)

There is a provision in the [Proposed Ordinance](#) that could over-ride the Maui Island Plan, Community Plans, and maybe even the County Budget, - anything else that is in the form of an ordinance. It reads as follows:

**3.75.030- Superiority over conflicting provision of other ordinance.**

**When any provision of this chapter conflicts with any other provision of ordinance, the provision of this chapter shall prevail.**

And also

**3.75.080- Construction of chapter.**

**This chapter shall be liberally construed to effectuate its purposes.** No error, irregularity, or informality and no neglect or omission of any officer in any procedure taken under this chapter which does not directly affect the jurisdiction of the County to order the provision of a special improvement shall void or invalidate such proceeding or any levy for the costs of such improvement.( Ord. No. 4947, § 1, 2018) 3.75.090- Validity
