Dear Chief Faaumu:

**SUBJECT: CONDITIONAL PERMIT FOR SPRINT WIRELESS  
TELECOMMUNICATION FACILITY AT 3740 LOWER  
HONOAPIILANI ROAD (LAHAINA) (LU-67)**

The Land Use Committee is in receipt of County Communication 18-314, from the Planning Director, transmitting a request from Sprint Wireless for a ten-year Conditional Permit to allow for the installation of a wireless telecommunication facility at 3740 Lower Honoapiilani Road, Lahaina, Maui, Hawaii, identified for real property tax purposes as tax map key (2) 4-3-006:004.

Your Department earlier responded in writing that you have no comments on the proposed application. The Land Use Committee intends to meet to further review the application this Wednesday, October 31, 2018, at 1:30 p.m. (See attached agenda.)

I would note in 2009, the Council enacted Ordinance 3713, a copy of which is attached for your reference, granting a Conditional Permit to six telecommunications carriers to establish a telecommunication facility in Paia. Conditions 6 through 11 of that ordinance relate to requirements involving your Department and the protection of the Maui County Public Safety Radio System.

In the proposed bill being considered by the Land Use Committee, a copy of which is also attached, it appears the only condition involving the Department

Chief Faaumu

Page 2

of Police is proposed Condition 9, which is comparable to Condition 11 of Ordinance 3713 (2009).

Because your Department has the technical expertise to know what is required to adequately protect the Public Safety Radio System and your operating requirements, may I please request you advise if any conditions similar to Conditions 6 through 10 of Ordinance 3713 (2009) would be helpful to incorporate into the proposed Conditional Permit for the requested telecommunication facility in Lahaina?

I am particularly concerned that a condition like the one numbered 9 in Ordinance 3713 (2009) be addressed, as the proposed bill pending before the Committee only contains a notification requirement comparable to the one numbered 11 in the ordinance.

Although this request is coming only two days before the Committee meeting, I would appreciate your assistance. The Committee is under strict timing requirements to consider the proposed bill because of a "shot clock" applicable to these types of applications.

May I please request a representative of your Department be made available to address this issue at the upcoming Committee meeting?

Should you have the capacity to provide a written response prior to the meeting, to ensure efficient processing, please include the relevant Committee item number in the subject line of your response.

Should you have any questions, please contact me or the Committee staff (Carla Nakata at ext. 7659, James Krueger at ext. 7761, or Rayna Yap at ext. 8007).

Sincerely,

ROBERT CARROLL, Chair  
Land Use Committee
