Subject: Makila Farms - Affordable Housing Project (Chapter 201H, Hawaii Revised Statutes) (Independent Development of Makila Farms PROJECT (LAHAINA)) (AH-1(3))

Aloha Council Members,

My wife and I have 7 children.

We've lived here on Maui for over 20 years [my wife] and 30 years [myself].

My wife's children are 52% Hawaiian; 4 of the 7 listed above.

Not a single one of them has been able to live in their own house on this island.

We watch in awe as the Council continues to kick the Affordable Housing ball down the road.

This developer is doing something very unique and NEEDED! Especially on the West Side.

We do not want the West Maui Community Planning Action Committee (CPAC) to delay this, or any other project, that affordable housing on the West Maui; while they finish the community plan update.

We are in housing crisis and need affordable housing now.

Best Regards,
Marty Cooper
