Dear Members:

Subject: 355 Haiku Road
(2) 2-7-003:87
SUP2 2015/0012 & CP/0007

AS a longtime Hawaiian Ha'iku Northshore resident, I watch the growth of my neighborhood to where our infrastructure does not support more development in our community and more so commercial use in the residential areas of Ha'iku. Adding in another Place to Party in an area where there's already lots of traffic, dark curve road, and bike patch on both side is just asking for something to happen and or someone to be killed.

Noise – I have three (3) Mo'opuna age 7 to 14 lives with us and goes to bed at 8 PM sharp and gets up at 6:15 Am sharp, with the Hawaiian trade winds blowing downwind at 5mph, the sound of people and music carries as if they're in your backyard partying. My Mo'opuna deserved the respect and so do I as I have to make their breakfast and making breakfast with a sunrise smile and not an old grumpy tutu kane. Beside us, I'm sure my friendly neighbors are getting the bad vibes too.

I could go on with many other issues, but I'll end here with wun most handsome hugs to you all and let just do this "Right".
I can't make it tomorrow to testify 3/22/17, I have to be in Oahu at the Capitol to give testimonial State Senate House Bill.
