Amendment Summary Form

Legislation: Resolution 23-163, "REFERRING TO THE PLANNING COMMISSIONS A PROPOSED BILL RELATING TO PARKING FOR ELECTRIC VEHICLES"

Proposer: Tamara Paltin, Chair *Tamara M. Paltin*
Disaster, Resilience, International Affairs, and Planning Committee

Description: Replace Exhibit "1" with the attached version.

Motion: Move to amend Exhibit "1" as follows:

- Amend Section 1 by replacing the existing language with the following:

"Part VI, "Parking Electric Vehicles," Chapter 291, Hawai'i Revised Statutes, requires places of public accommodation with at least 100 parking spaces to have a minimum of one parking space designated as an electric vehicle charging station. This Ordinance's purpose is to require places of public accommodation outside of the Special Management Area with at least 50 parking spaces to have a minimum of two parking spaces designated as electric vehicle parking spaces equipped with functioning charging stations and to require at least two additional parking spaces designated as electric vehicle parking spaces equipped with functioning charging stations for each additional increment of 50 parking spaces. This Ordinance also increases the required parking spaces for "children's playground" from zero to one per 500 square feet, which is the existing requirement for "skate park." This Ordinance advances the following policy in the Countywide Policy Plan: "Encourage the use of sustainable energy to power vehicles."

- Amend Section 2 by replacing the proposed language at the end of Section 19.36B.020 with the following:

“...except that places of public accommodation outside of the Special Management Area with at least 50 parking spaces are required to have at least two parking spaces designated for electric vehicles equipped with functioning charging stations and are further required to have at least two additional parking spaces designated for electric vehicles equipped with functioning charging stations for each additional increment of 50 parking spaces.”

- Further amend the table in Section 2 as follows:

“

Active recreation.	Type:	Minimum number of parking spaces:
	Athletic field for baseball, football, soccer, other team sports (non-stadium)	50 per athletic field; 0 additional for adjacent practice field; 10 for practice field without a full-sized field.
	Outdoor basketball court	6 per court.
	Children’s playground	[0] <u>1 per 500 square feet.</u>
	Skate park	1 per 500 square feet.
	Site for motor sports, paintball, zip lines, fitness course	1 per 2 participants at regular capacity.

”

Effect: See the attached revised copy.

Attachment: Proposed CD1 version of Resolution 23-163.

ORDINANCE NO. _____

BILL NO. _____ (2023)

A BILL FOR AN ORDINANCE AMENDING SECTION 19.36B.020, MAUI
COUNTY CODE, RELATING TO PARKING FOR ELECTRIC VEHICLES

BE IT ORDAINED BY THE PEOPLE OF THE COUNTY OF MAUI:

SECTION 1. Part VI, “Parking Electric Vehicles,” Chapter 291, Hawai‘i Revised Statutes, requires places of public accommodation with at least 100 parking spaces to have a minimum of one parking space designated as an electric vehicle charging station. This Ordinance’s purpose is to require places of public accommodation outside of the Special Management Area with at least 50 parking spaces to have a minimum of two parking spaces designated as electric vehicle parking spaces equipped with functioning charging stations and to require at least two additional parking spaces designated as electric vehicle parking spaces equipped with functioning charging stations for each additional increment of 50 parking spaces. This Ordinance also increases the required parking spaces for “children’s playground” from zero to one per 500 square feet, which is the existing requirement for “skate park.” This Ordinance advances the following policy in the Countywide Policy Plan: “Encourage the use of sustainable energy to power vehicles.”

SECTION 2. Section 19.36B.020, Maui County Code, is amended to read as follows:

“19.36B.020 Designated number of off-street parking spaces. Unless otherwise provided in this chapter, the following minimum numbers of accessible, onsite, off-street facilities for the parking of self-propelled motor vehicles [shall] must be provided in connection with the use of any land or the construction, alteration, or improvement of any building or structure. When reviewing a building permit application or proposed change of use, the department [shall] must determine whether the applicant must submit a parking and landscaping plan to establish compliance with this chapter. If the department requires a plan, the department will not recommend approval of a building permit application or proposed change of use until it approves the plan and will not approve a certificate of occupancy or final inspection until the applicant has implemented the approved plan. The number of required parking spaces [shall be] is based on the floor area of each use or component use except where otherwise specified. When calculating the total number of required parking spaces, a fraction less than one-half [shall] must be disregarded, and a fraction of one-half or more [shall require] requires one parking space. The following chart establishes the general requirements for accessible, onsite, off-street parking. Compliance with the Americans with Disabilities Act, administered through the State department of health, disability and communications access board, and with State requirements for electric-vehicle parking is also required[.], except that places of public accommodation outside of the Special Management Area with at least 50 parking spaces are required to have at least two parking spaces designated for electric vehicles equipped with functioning charging stations and are further required to have at least two additional parking spaces designated for electric vehicles equipped with functioning charging stations for each additional increment of 50 parking spaces.
