Mr. Jeffrey Pearson, Director
Department of Water Supply
County of Maui
Wailuku, Hawaii 96793

Dear Mr. Pearson:

SUBJECT: WAIKAPU COUNTRY TOWN PROJECT (PSLU-30)

At its meeting of March 13, 2019, the Planning and Sustainable Land Use Committee discussed proposed bills to establish a new zoning district and to grant land use entitlements to facilitate the development of the proposed Waikapu Country Town project.

Will the proposed project's wells and water use have any impact on the County's ability to provide water in the Central Maui area? Please explain whether the Department draws water from the same aquifer from which the project will draw. If it does not, explain whether the Department is planning to extract water from that aquifer in the future.

May I further request you provide your response by **Monday, May 13, 2019**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.

Should you have any questions, please contact me or the Committee staff (James Krueger at ext. 7761, or Clarita Balala at ext. 7668).

Sincerely,
