Economic Development and Budget Committee
Maui County Council
200 South High Street

Dear Ms. Rawlins-Fernandez:

SUBJECT: FISCAL YEAR 2020 BUDGET FOR THE COUNTY OF MAUI (EDB-1)

I am in receipt of your request for departmental personnel dated April 2, 2019. The request is for the Budget Director with a note that the Budget Director "will contact the appropriate director and deputy director with specific dates and times if necessary." Please allow at least three (3) business days from the request for departmental personnel and the date of the meeting.

In my letter dated March 25, 2019 I acknowledged that your March 8, 2019 memo advised your members that all questions specific to the proposed FY 2020 Budget will be compiled and submitted in writing from the Chair of the Committee to the administrative heads during the Budget session. I requested at least five (5) business days between the request and the requested response date. Please be aware that the departments have received requests that do not allow adequate time to respond. While we will make an effort to respond as soon as possible, we may not be able to respond by the requested response date. In addition, administrative personnel have received questions from Council staff about FY 2020 Budget items outside of the Committee. Please adhere to the procedures outlined in your March 8, 2019 memo "to allow equality of information to the Committee members and public."

Thank you for your attention and cooperation to this matter. If you have any questions, feel free to contact me or Michele Yoshimura.

Sincerely,

A handwritten signature in black ink that reads "Michael P. Victorino".
