Mayor Date 7/21/17

Dear Chair White and Members:

SUBJECT: AMENDMENTS TO THE FISCAL YEAR 2018 BUDGET

On behalf of the Department of Water Supply, I am transmitting the attached proposed bills for the purpose of appropriating \$150,000 in the Fiscal Year (FY) 2018 Budget for an appraisal of property and infrastructure owned by Wailuku Water Company. Attached is a Certification of Additional Revenues for Fiscal Year 2018 certifying the availability of Water Fund Carryover/Savings in the amount of \$150,000 to fund this request.

This funding request was first proposed in FY 2017, but failed to receive a decision by the end of the fiscal year. The Administration remains intent on purchasing the approximately 8,764 acres of land along with a surface water conveyance system as detailed in the attached proposal. A supplemental budget amendment will be requested for acquisition costs upon completion of the appraisal.

I respectfully request that this matter be referred to the appropriate Council committee for expeditious review, discussion and appropriate action.

Should you have any questions, please feel free to contact me at Ext. 7212.

Sincerely,

LYNN A.S. ARAKI-REGAN
Budget Director

If Buyer fails to timely deliver notice of termination under clause (ii) above, Buyer will be deemed to have elected to proceed to closing under clause (i) above.

2.3 Conveyance of Title. At Closing, Seller shall convey and transfer to Buyer such title to the Property as will enable the Title Company to issue to Buyer an Owner's Policy of Title Insurance (the "Title Policy") with coverages covering the Property, in the full amount of the Acquisition Price. Seller shall be required at Closing to remove or cause the Title Company to insure over any monetary liens other than real property taxes and governmental assessments not then due and payable. Notwithstanding anything contained herein to the contrary, the Property shall be conveyed subject to the following matters, which shall be deemed to be Permitted Exceptions:

(a) the lien of all ad valorem real property taxes and assessments not yet due and payable as of the date of Closing, subject to adjustment as herein provided;

(b) local, state and federal laws, ordinances or governmental regulations, including but not limited to, building and zoning laws, ordinances and regulations, nor or hereafter in effect relating to the Property; and

(c) items appearing of record and, in either case, not objected to by Buyer or waived or deemed waived by Buyer in accordance with Sections 2.2 and 2.3 hereof.

ARTICLE 3

INSPECTION PERIOD

3.1 Right of Inspection. During the Inspection Period, Buyer shall have the right to review all non-physical aspects of the Property, including but not limited to title, zoning, entitlements, subdivision conditions and all other issues which do not require physical investigation of the Property; provided, however, such review may involve examination at the offices of Seller or elsewhere as the same may be located, any operating file maintained by Seller or its property manager in connection with the maintenance and/or management of the Property, but excluding materials not directly related to the maintenance and/or management of the Property such as Seller's internal memoranda, financial projections, budgets, appraisals, accounting and tax records and similar proprietary or confidential information. Seller shall promptly provide to Buyer, to the extent in Seller's possession or control and without any warranty or representation as to accuracy or completeness other than as set forth in Section 5.1 below, copies of Seller's existing documentation pertaining to (a) all plans and governmental approvals; (b) applications and submittals for pending subdivision; (c) information concerning public access rights; (d) information concerning existing water meter assignments; (e) copies of any leases; (f) the environmental condition of the Property, including any presently existing violations of law within Seller's knowledge; and (g) existing technical studies, reports, and work product in Seller's possession or control relating to topography, soils, surface water, ground

water exploration and development, and drainage. On-site inspections may including, without limitation, soils tests, engineering studies and such feasibility and other studies regarding the condition of the Property, as Buyer considers prudent. Buyer agrees to indemnify against and hold Seller harmless from any claim for liabilities, costs, expenses (including reasonable attorneys' fees actually incurred) damages or injuries arising out of or resulting from the inspection of the Property by Buyer or its agents, and notwithstanding anything to the contrary in this Agreement, such obligation to indemnify and hold harmless Seller shall survive Closing or any termination of this Agreement. All inspections shall occur at reasonable times agreed upon by Seller and Buyer and shall be conducted so as not to interfere unreasonably with use of the Property by Seller.

3.2 Inspection Period Right of Termination. Seller agrees that in the event Buyer determines (such determination to be made in Buyer's sole and absolute discretion) that the Property is not suitable for its purposes, Buyer shall have the right, in Buyer's sole and absolute discretion, to terminate this Agreement by giving written notice thereof to Seller, prior to the end of the Inspection Period. If Buyer gives such notice of termination within the Inspection Period, this Agreement shall terminate and the Earnest Money shall be returned to Buyer. Time is of the essence with respect to the provisions of this Section 3.2. If Buyer fails to give Seller notice of termination prior to the expiration of the Inspection Period, Buyer shall no longer have any right to terminate this Agreement under this Section 3.2 and shall be bound to proceed to Closing and consummate the transaction contemplated hereby pursuant to the terms of this Agreement.

ARTICLE 4

CLOSING

4.1 Time and Place. The consummation of the transaction contemplated hereby ("Closing") shall occur upon recordation of the Deed, at 8:00 a.m. (local time at the Property) on the date set forth in the Basic Provisions. At Closing, Seller and Buyer shall perform the obligations set forth in, respectively, Section 4.2 and Section 4.3, the performance of which obligations shall be concurrent conditions.

4.2 Seller's Obligations at Closing. At Closing, Seller shall:

(a) deliver to Buyer a duly executed limited warranty deed in the form reasonably acceptable to the Buyer, as well as all other documents of conveyance to close the transaction including, but not limited to the required easements, bill of sale for personal property to be transferred, permits/entitlements, pending applications, assumption of contracts, and other documentation to transfer the Surface Water Conveyance System;

(b) deliver to Buyer such evidence as the Title Company may reasonably require as to the authority of the person or persons executing documents on behalf of Seller; and

(c) deliver to Buyer an affidavit duly executed by Seller stating that Seller is

not a "foreign person" within the meaning of Section 1445 of the Internal Revenue Code of 1986, as amended (the "Code") and the Treasury Regulations thereunder and an affidavit that Seller is a resident under the Hawaii Real Property Tax Act.

(d) certifications on compliance with Section 11 of the Basic Provisions that Seller's members have approved the transaction and that the P.U.C. has approved the withdrawal of Seller's application before the P.U.C.

4.3 Buyer's Obligations at Closing: At Closing, Buyer shall:

(a) pay to Seller the full amount of the Acquisition Price, as increased or decreased by prorations and adjustments as herein provided, all funds required of the Buyer to close the transaction under Section 4.5 herein, all in immediately available wire transferred funds or cashier's check pursuant to Section 1.5 above, it being agreed that at Closing, the Earnest Money Deposit(s) shall be delivered to Seller and applied towards payment of the Acquisition Price;

(b) join Seller in execution of the instruments described in Section 4.2(a);

(c) deliver to Seller such evidence as Seller's counsel and/or the Title Company may reasonably require as to the authority of the person or persons executing documents on behalf of Buyer; and

(d) deliver such additional documents as shall be reasonably required to consummate the transaction contemplated by this Agreement.

4.4 Credits and Prorations.

(a) The following shall be apportioned between Seller and Buyer with respect to the Property as of 12:01 a.m. on the day following the day of Closing, as if Buyer were vested with title to the Property during the entire day following the day upon which Closing occurs:

(i) real property taxes and governmental assessments levied against the Property;

(ii) utility charges for which Seller is liable, if any, such charges to be apportioned at Closing on the basis of the most recent meter reading occurring prior to Closing;

(iii) any other operating expenses or other items pertaining to the Property which are customarily prorated in the area in which the Property is located.

(b) Notwithstanding anything contained in the foregoing provisions, any taxes paid at or prior to Closing shall be prorated based upon the amount actually paid. If taxes and assessments for the current year have not been paid at or prior to Closing, Seller shall be charged at Closing an amount equal to that portion of such taxes and assessments which relates to the

period before Closing. Any such apportionment made with respect to a tax year for which the tax rate or assessed valuation, or both, have not yet been fixed shall be based upon the tax rate and/or assessed valuation last fixed. To the extent that the actual taxes and assessments for the current year differ from the amount apportioned at Closing, the parties shall make all necessary by appropriate payments between themselves following Closing.

(c) The provisions of this Section 4.4(b) shall survive Closing.

4.5 Closing Costs. Seller shall pay (a) the fees of any counsel representing Seller in connection with this transaction; (b) one-half of the fee for the issuance of a Hawaii Standard Owner's Policy of title insurance in the amount of the Acquisition Price, without endorsement; (c) one-half of any escrow fees charged by the Escrow Agent; (d) recording fees for the Deed; and (e) parties agree that the Hawaii conveyance tax shall be exempt from the transaction pursuant to HRS, Section 247-3(9) and the provisions therein are applicable to the transaction. Buyer shall pay (a) the fees of any counsel representing Buyer in connection with this transaction; (b) the remainder of the premium for the Owner's Policy of Title Insurance (including all endorsements thereto and all costs of any upgrade to such policy) to be issued to Buyer by the Title Company at Closing; (c) one-half of any escrow fees charged by the Escrow Agent; and (d) the cost of engineering and surveying services to obtain subdivision approval, which shall be reimbursed by the Buyer to Seller at Closing.

4.6 Conditions Precedent to Obligation of Buyer. The obligation of Buyer to consummate the transaction hereunder shall be subject to the fulfillment on or before the date of Closing of all of the following conditions, any or all of which may be waived by Buyer in its sole discretion:

(a) Seller shall have delivered to Buyer (or the Title Company in escrow) all of the items required to be delivered to Buyer pursuant to the terms of this Agreement, including but not limited to, those provided in Section 4.2.

(b) All of the representations and warranties of Seller contained in this Agreement shall be true and correct in all material respects as of the date of Closing (with appropriate modifications permitted under this Agreement or not materially adverse to Buyer).

(c) Seller shall have performed and observed, in all material respects, all covenants and agreements of this Agreement to be performed and observed by Seller as of the date of Closing.

(d) The Title Company shall issue the Title Policy in the form the Title Company committed to issue prior to the expiration of the Non-Physical Inspection Period.

(e) Certifications on compliance with Section 11 of the Basic provisions that Seller's members have approved the transaction and that the P.U.C. has approved the withdrawal of Seller's application before the P.U.C.

4.7 Conditions Precedent to Obligation of Seller. The obligation of Seller to consummate the transaction hereunder shall be subject to the fulfillment on or before the date of Closing of all of the following conditions, any or all of which may be waived by Seller in its sole discretion:

(a) Seller (or the Title Company, in escrow) shall have received the Acquisition Price as adjusted pursuant to and payable in the manner provided for in this Agreement.

(b) Buyer shall have delivered to Seller (or the Title Company, in escrow) all of the items required to be delivered to Seller pursuant to the terms of this Agreement, including but not limited to, those provided for in Section 4.3.

(c) All of the requirements and warranties of Buyer contained in this Agreement shall be true and correct in all material respects as of the date of Closing.

(d) Buyer shall have performed and observed, in all material respects, all covenants and agreements of this Agreement to be performed and observed by Buyer as of the date of Closing.

ARTICLE 5

REPRESENTATIONS, WARRANTIES AND COVENANTS

5.1 Representations and Warranties of Seller. Seller hereby makes the following representations and warranties to Buyer as of the Effective Date:

(a) Seller has been duly organized and is validly existing as a limited liability company under the laws of Hawaii. Seller has the full right and authority to enter into this Agreement and, to transfer all of the Property to be conveyed by Seller pursuant hereto and to consummate or cause to be consummated the transactions contemplated herein to be made by Seller. The persons signing this Agreement on behalf of Seller are authorized to do so.

(b) Except as disclosed to the Buyer, to Seller's knowledge, there is no action, suit or proceeding pending or threatened against Seller or the Property, relating to any alleged violation of law or any environmental rules or Seller's legal duty to third parties or governmental agencies in connection with Seller's ownership, operation or use of the Property.

(c) Other than disclosed to Seller to Buyer, to Seller's knowledge, Seller has delivered or made available to Buyer all documentation Seller is required to provide Buyer pursuant to this Agreement.

5.2 Survival of Seller's Representations and Warranties. The representations and warranties of Seller set forth in Section 5.1 are true on the Effective Date and shall be true as of the Date of Closing.

5.3 Covenants of Seller. Seller hereby covenants with Buyer as follows:

(a) From the Effective Date hereof until the Closing or earlier termination of this Agreement, Seller shall use reasonable efforts to operate and maintain the Property in a manner generally consistent with the manner in which Seller has operated and maintained the Property prior to the date hereof.

5.4 Representations and Warranties of Buyer. Buyer hereby represents and warrants to Seller:

(a) Buyer has the full right, power and authority to purchase the Property as provided in this Agreement and to carry out Buyer's obligations hereunder, and all requisite action necessary to authorize Buyer to enter into this Agreement and to carry out its obligations hereunder have been, or by the Closing will have been, taken. The person signing this Agreement on behalf of Buyer is authorized to do so.

(b) There is no action, suit, arbitration, unsatisfied order or judgment, government investigation or proceeding pending against Buyer which, if adversely determined, could individually or in the aggregate materially interfere with the consummation of the transaction contemplated by this Agreement.

5.5 Covenants of Buyer. If Buyer, in connection with its investigation of the Property during the Inspection Period, elects to inspect the Property for the presence of Hazardous Substances (as hereinafter defined), Buyer shall furnish to Seller copies of any reports received by Buyer in connection with any such inspection. Buyer hereby assumes full responsibility for such inspections and irrevocably waives any claim against Seller arising from the presence of Hazardous Substances in, on, under or contiguous to the Property. Buyer shall pay all costs and expenses of any such investigation and testing and shall indemnify and hold Seller and the Property harmless from and against all injury and damages suffered or incurred by Seller caused by Buyer in Buyer's investigations, but if Buyer does not acquire the Property, such indemnification shall exclude any clean-up costs for any existing environmental condition discovered by Buyer in said investigation. Buyer shall further repair and restore any damage to the Property caused by or occurring during Buyer's testing, and shall return the Property to substantially the same condition as existed prior to such injury. As used herein, the term "Hazardous Substances" means any toxic, noxious, or hazardous wastes or substances of any kind or form including, without limitation of the generality of the foregoing, asbestos, PCB's, and all substances defined as "hazardous substances" or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9061 et seq., Hazardous Materials Transportation Act, 49 U.S.C. §1802, The Resource Conservation and Recovery Act, 42 U.S.C. §6901 et seq. and in the Toxic Substance Control Act of 1976, as amended, 15 U.S.C. §2601 et seq., or in any other applicable environmental law and all substances regulated as "pollutants" or "contaminants" in any applicable environmental law.

ARTICLE 6

DEFAULT

6.1 Default by Buyer. The Buyer and Seller agree that in the event the Buyer defaults in the Buyer's obligations hereunder to close its purchase of the land, which default remains uncured five (5) days following written notice from Seller specifying the nature of said default, then the Buyer shall be deemed to be in breach of this Agreement, and Seller shall thereafter be entitled to terminate this Agreement and the Escrow upon written notice to the Buyer and the Escrow Agent, who shall terminate the Escrow and immediately release to Seller the Earnest Money, inclusive of any amount of interest thereon. The Buyer shall pay to Escrow Agent any charges incurred by the Escrow Agent in the course of administering the Escrow which, in accordance with this Agreement, were payable by the Buyer or Seller. This foregoing remedy of Seller for the Buyer's breach of this Agreement is as Liquidated Damages, and not as a penalty, the parties agreeing that Seller's actual damages, if any, which may occur in the event the Buyer breaches this Agreement, would be difficult or impractical to ascertain, but a reasonable estimate of which is stipulated to be equal to the amount of the Earnest Money, inclusive of any interest thereon. Seller's remedy described in this paragraph shall be Seller's sole remedy in the event of the Buyer's breach of this Agreement, and Seller hereby waives the remedy of specific performance.

6.2 Default by Seller. In the event that Seller fails to consummate this Agreement for any reason other than Buyer's default or the permitted termination of this Agreement by Seller or Buyer as herein expressly provided, Buyer shall be entitled, as its sole remedy, either (a) to receive the return of the Earnest Money, which return shall operate to terminate this Agreement and release Seller from any and all liability hereunder, or (b) to enforce specific performance of Seller's obligation to execute the documents required to convey the Property to Buyer, it being understood and agreed that the remedy of specific performance shall not be available to enforce any other obligation of Seller hereunder. Buyer expressly waives its rights to seek damages in the event of Seller's default hereunder. Buyer shall be deemed to have elected to terminate this Agreement and receive back the Earnest Money if Buyer fails to file suit for specific performance against Seller in a court having jurisdiction in the county and state in which the Property is located, on or before one hundred twenty (120) days following the date upon which Closing was to have occurred.

ARTICLE 7

RISK OF LOSS

7.1 Damage. In the event of material loss or damage to the Property or any portion thereof occurring prior to Closing and after the expiration of Buyer's contract termination right under Section 3.2 above, Buyer shall have the right to terminate this Agreement and receive a full refund of Buyer's deposit. Upon Closing, full risk of loss with respect to the Property shall pass to Buyer.

ARTICLE 8

MISCELLANEOUS

8.1 Arbitration. Any dispute between the Parties arising out of or relating to the terms and conditions or subject matter of this Agreement, at the option of either party, shall be submitted to mediation. If the dispute cannot be resolved within ten (10) days after the commencement of the mediation process, or neither party desires to submit the matter to the mediation process, the dispute, at the option of either party, shall be submitted to binding arbitration. All proceedings shall be held in Honolulu, Hawaii. The arbitrator shall determine which and to what extent each Party shall be responsible for costs and expenses, including reasonable attorneys' fees. The Parties shall use the services of Dispute Prevention and Resolution, Inc. to conduct the arbitration, but if such organization is not able to so serve, the Parties shall jointly select a similar alternative dispute resolution organization with offices in Honolulu, Hawaii to provide such services.

8.3 Discharge of Obligations. The acceptance of the Deed by Buyer shall be deemed to be a full performance and discharge of every representation and warranty made by Seller herein and every agreement and obligation on the part of Seller to be performed pursuant to the provisions of this Agreement, except those which are herein specifically stated to survive Closing.

8.4 Assignment. Buyer may not assign its rights under this Agreement to anyone other than a Permitted Assignee without first obtaining Seller's written approval which may be given or withheld in Seller's sole discretion.
