Hi Michele,

Th County recognizes Nahiku Road from Hana Highway to where the old Nahiku School existed on TMK (2) 1-2-002:023. This location is where the Old Hana Highway in the Hana Direction and Nahiku Road intersect. Beyond the intersection heading west (makai), the road traverses along private property.

The road fronting the old Nahiku School site on its northern boundary is considered a old government road that the County maintains, but we do not have title to it.

Nahiku Road on the project area's southern boundary is a county road.

Hope this helps. Let me know if you need additional info. Jordan will be at PLSU tomorrow.

Thanks,  
Rowena

Hi Rowena and Jordan,

Do you know if the "old government road" that accesses the old Nahiku School (site of the proposed new Nahiku Community Center) is a county road?

PSLU is taking up the entitlements for the community center tomorrow, and this may come up.

Mahalo,  
Michele.
