RE: Support Makila Farms!

Dear Chair Kama,

My name is Augustine Hosino III. I'm from Makawao I support the Makila Farms project. These work force homes gives the local people an opportunity to own property at an affordable price. I know Greg Brown, he has given me the opportunity to have a job which is the reason I was able to move back home to Maui.

In looking for home availability I notice the lack for affordable homes here and this will allow local families to own homes. I believe this project will inspire more developers to create more affordable housing. Please let this project pass because this could be the future for housing in Hawaii.

Thank you
