To whom it may Concern,
Please support the acquisition of the lots located at the Hamakualoa coast! This purchase is priceless and will be a symbol of our generation passed down to future ones to enjoy and share. The economic benefits provided through tourism to watch the wonder of the world "Jaws", the crucial native habitat, and recreational areas this land provides is paramount to identity of Maui itself. Thank you for your consideration and deliberation on this matter and support this purchase!
Kind Regards,
-Torsten Durkan
