Dear Ms. King:

Subject: Shoreline Certification (PC-19)

This is in response to your letter dated August 31, 2018 inquiring if the State conducts a comprehensive review and re-certification of the shoreline and if so, when and how often. The State does not conduct a comprehensive review of shorelines statewide. The shoreline certification program is application driven and administered by the Department of Land and Natural Resources. The State receives an average of 30 applications annually for properties on Maui.

Should you have any other questions, please call me at 586-0390.

Very truly yours,
