Subject: Testimony for 9/11/2020 Council meeting: WUDP process needs to include Ha'ikū

For the 9/11 Council meeting WUDP discussion, please consider the following:

- 1) Defer approval of the Maui Water Use and Development Plan (WUDP) at the 9/11/2020 meeting
- 2) Require the County Water Department to attend a Pa'ia-Ha'ikū Town Hall to
 - answer the community's questions,
 - tell the community what is being proposed and
 - hear the community's mana'o

BEFORE the first Council vote on the WUDP

3. Drilling another well to access the same water aquifer does not alleviate the issue of less water to the residents of Pa'ia-Haiku areas.

As a concerned citizen of Maui, I ask that all members of our County Council consider the above mentioned request on behalf of the citizens that will be greatly affected by the plans of the Maui Water Use and Development Plan.

Mahalo,
