

Charter Amendment relating to broadening the use of Open Space, Natural Resources, Cultural Resources, and Scenic Views Preservation Fund (PEA-10(3))

Proposal Details	To amend Section 9-19 of the Charter that will allow the Open Space, Natural Resources, Cultural Resources, and Scenic Views Preservation Fund to be used to perform maintenance and safety and security improvements on lands acquired through the Fund.
Current Process	Fund currently allows for the purchase of land for specific conservation purposes. It does not include the use of funds for maintenance, safety, and security improvements to these lands.
Why the change	Lands acquired by the County through this Fund should be maintained and safety and security improvements implemented. It is appropriate for costs related to this purpose to be paid for by the Fund.
Cost Implications	None
Changes to the Maui County Code	Section 3.88.020, Maui County Code
Proposed Ballot Question	"Shall the Charter be amended, effective January 2, 2019, to expand the uses of the Open Space, Natural Resources, Cultural Resources, and Scenic Views Preservation Fund be expanded to authorize the fund to be used to perform maintenance and safety and security improvements on lands acquired through the fund?"
Effective Date	January 2, 2019
