Dear Chief Ventura:

SUBJECT: DONATION OF AIR GAIN EQUIPMENT

Our company has recently worked with your department on a program intended to test wireless "Air Gain" and "Cradle Point" equipment in order to determine its value to first responders. During the test period valuable data was received from your agency, in addition there was a positive feedback from users of the equipment indicating improved communications capabilities in remote areas.

This testing program has officially ended, and our company is willing to donate the two (2) Windows Surface Go and two (2) Windows Surface Pro X Tablets your officers that have been testing to your department. If your department is interested, please contact me to arrange transfer of this equipment. This equipment was purchased in March 2021; a valuation of \$3,935.06 and list of the equipment has been attached.

Should you have questions, you may contact me at (808) 754-8358 or via email at [csoon@ssfm.com](mailto:csoon@ssfm.com).

Sincerely,
