Maui County Council
**Policy, Economic Development,
and Agriculture Committee**
200 South High Street
Wailuku, HI 96793

Yuki Lei K. Sugimura, Chair
and Committee Members:

Please accept our support for Gladys Baisa as Director of Water Supply effective July 12, 2018.

As you all know, Gladys already has extensive experience as acting Director over the past few months, and sufficient engineering support within the Department to make her qualified for this position.

We both strongly feel, that at this time, that Gladys Baisa would be an excellent choice for the Director's position, and strongly recommend you appoint her to the Director's position.

Mahalo,

Don and Arleen Gerbig
Lahaina, Maui
