Subject: application for the planning commission

Aloha Kakou,

O Wau o Ke'eaumoku Kapu and I am sending this correspondence to you as a kind reminder that I have applied for the county planning commission.

In the past I have served on other commissions like the County cultural resources committee, the State Maui Lana'i island burial council as the chair for 4 years and from a total of 8 years. The Native Hawaiian Historic preservation council an advisory to the board of the office of Hawaiian affairs. and the West pacific regional fisheries resources management council and I am the CEO for Aha moku o Maui Inc.

I am very well aware of the laws that govern native Hawaiian tenant rights, traditional customary practices. The counties ordinances under 343 and other federal laws such as section 106 consultations.

I feel serving on this board would more address the needed dialogue that Many times are overlooked.

Mahalo for your consideration.
