Dear Chair Paltin and Members:

SUBJECT: WEST MAUI COMMUNITY PLAN UPDATE (PSLU-1)

As we discussed, below is proposed language for a new policy to facilitate implementation of the planned West Maui Greenway. The policy could be added to Section 2, under Goal 2.2 - A complete, balanced and connected transportation network.

"Require new development, redevelopment and Chapter 201H, HRS and Chapter 2.97, MCC housing projects to incorporate the planned West Maui Greenway into the project and provide rights of way for the greenway if the alignment crosses the property."

Please let me know if you have any questions. We look forward to working with you to complete the Council's review and adoption of the West Maui Community Plan Update.

Sincerely,
