Mr. David Goode, Director
Department of Public Works
County of Maui
Wailuku, Hawaii 96793

Dear Mr. Goode:

SUBJECT: **WATER SERVICES** (WR-20)

The Water Resources Committee intends to meet on November 22, 2016, at 1:30 p.m., to discuss backflow prevention and water fixture counts. I will be requesting that you or a representative of your Department attend the meeting to discuss how these matters affect building permit applications.

May I please request you provide me with the following information:

1. Why is a building permit application for a new structure not routed to the Department of Water Supply for approval?
2. Are plumbing permit applications routed to the Department of Water Supply for approval? If not, please explain.
3. Please provide me with a list of building permit applications routed to the Department of Water Supply that have not been approved by that Department. For each such application, please provide the reason for the application, and the reason for the Department's denial.

May I please request your response by **Monday, November 21, 2016**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.
