Aloha council members and planning commission,

We are concerned citizens that are vehemently opposed to the plans for 355 Haiku Road. This will certainly make our rural lifestyle disappear and add more dangerous congestion to the already dangerous Haiku Road. Without proper infrastructure how can you guarantee the residents of Haiku will be safe? Also of great concern to us is the noise that will be generated by a "party" venue. How can this be legal in a rural and agricultural neighborhood? We remain very concerned and hope you will take these concerns seriously.
