Dear Chair Paltin:

SUBJECT: BILL 94 (2026), CHANGE IN ZONING FROM R-2 RESIDENTIAL DISTRICT TO P-1 PUBLIC/QUASI-PUBLIC DISTRICT (CONDITIONAL ZONING) FOR 3.255 ACRES AT LAHAINA, HAWAII (LAHAINA UNITED METHODIST CHURCH) (DRIP-24)

Thank you for your letter dated June 23, 2026, regarding the above-agenda item. Please find Department of Water Supply's response below:

The department has no objections to the proposed Bill for a conditional change in zoning for the subject properties, TMK's: (2) 4-5-002:005 and 006.

The properties each have one, 1-inch County water meter assigned to them for domestic purposes.

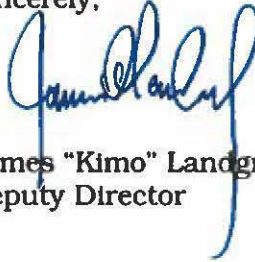

Department water system infrastructure for fire protection currently exists along the properties' County roadway frontages, but future permits may necessitate water main upgrades, County fire hydrant installations, and on-site fire protection infrastructure improvements, pending fire flow determinations and review from the Department of Fire and Public Safety.
