Aloha my name is Kitch Richie. I moved to Maui in 1988 , 31 years ago. I had my son in 2004 and my daughter in 2007. My husband works hard 6 days a week from 7am -4pm to pay for our rent and cost of living. We would love for Makila Farms development to happen. We would love to have to chance to own a home and stop renting. Our children love the West side like we do. They love their school, canoe paddling at canoe beach and being a part of the community. Please pass the development of Makila Farms. Mahalo from my whole family
Sincerely Kitch Richie
