Subject: Nomination of Leslie-Ann Yokouchi to the Liquor Control Commission

Aloha, Committee Chair Sugimura and members of the Policy, Economic Development and Agriculture Committee –

I am writing in support of the nomination of Leslie-Ann Yokouchi to the Liquor Control Commission. With her extensive experience and success in both the private sector and the non-profit arena, I believe that Leslie will be a valuable addition to the Commission. Her business acumen combined with many years of community volunteerism will offer a well-rounded perspective that will benefit the department, businesses and the general public. Thank you for your consideration, I ask that you cast a favorable vote for her nomination.

Best regards,

Mahina Martin
