Subject: As a HI Tax Payer, I support Beach & Dune restoration projects

Hello:
My Name is Ted Booth and I own Kahana Reef Unit 419 in the Kahana area of West Maui. I am writing this email to express my hope that the Maui County Council's Infrastructure and Environmental Management Committee will start budgeting for Coastal Erosion issues, now and in the future. As a HI Taxpayer as well as paying property taxes to Maui county, I support this type of budgeting to save our beaches and properties.
Thanks!
Ted Booth
