COUNTY COMMUNICATION NO. 25-13

MAUI COUNTY COUNCIL  
Amendment Summary Form

Legislation: Bill 75, CD1 (2025), entitled "A BILL FOR AN ORDINANCE AMENDING TITLE 19, MAUI COUNTY CODE RELATING TO THE COMPREHENSIVE ZONING ORDINANCE ON AGRICULTURAL TOURISM."

Proposer: Gabe Johnson, Chair   
Agriculture, Diversification, Environment, and Public Transportation Committee.

Description: The proposed FD1 version, approved as to form and legality by the Department of the Corporation Counsel, amends Bill 75, CD1 (2025), by:

1. Deleting the requirement for approval by the Department of 'Ōiwi Resources to register agricultural tourism activities based on the indigenous culture's traditions.
2. Allowing consultation with the Department of 'Ōiwi Resources for guidance regarding conducting agricultural tourism activities based on the indigenous culture's traditions with respect for the indigenous culture's intellectual property, traditional and ancestral knowledge, and to avoid cultural appropriation.
3. Revising the language regarding the verification by the Department of Fire and Public Safety for registering agricultural tourism activities.
4. Deleting the Planning Director's right to revoke the producer's registration for up to five years and disallow continued agricultural tourism activities where at least three violations demonstrating intentional disregard for compliance have occurred.

Motion: Move to substitute Bill 75, CD1 (2025), with the attached proposed FD1 version.

Attachment: Proposed Bill 75, CD1, FD1 (2025).

BILL NO. **75, CD1, FD1** (2025)

A BILL FOR AN ORDINANCE AMENDING TITLE 19, MAUI COUNTY  
CODE RELATING TO THE COMPREHENSIVE ZONING ORDINANCE ON  
AGRICULTURAL TOURISM

BE IT ORDAINED BY THE PEOPLE OF THE COUNTY OF MAUI:

SECTION 1. Under certain conditions, Sections 205-2 and 205-4.5, Hawai'i Revised Statutes, authorize within the State Agricultural District, agricultural tourism on a working farm, or a farming operation as defined in Section 165-2, Hawai'i Revised Statutes, if the agricultural tourism activity is accessory and secondary to the principal agricultural use; does not interfere with surrounding farm operations; and the County has adopted ordinances regulating agricultural tourism.

This Ordinance's purpose is to establish agricultural tourism as an accessory use in the Agricultural District and advances the Countywide Policy Plan directive: "Promote the teaching of traditional practices, including aquaculture; subsistence agriculture; Pacific Island, Asian, and other forms of alternative health practices; and indigenous Hawaiian architecture." It also implements the following Maui Island Plan economic development policy 4.2.1.e: "Diversify the tourism industry by supporting appropriate niche activities such as ecotourism, cultural tourism, voluntourism, ag-tourism, health and wellness tourism, educational tourism, medical tourism, and other viable tourism-related businesses in

appropriate locations.” This Ordinance incorporates recommendations by the Planning Director and the Lāna‘i, Maui, and Molokai Planning Commissions in response to Resolution 24-172, CD1, FD1, as expressed in County Communication 84-25.

SECTION 2. Section 19.30A.050, Maui County Code, is amended by amending Subsection B to read as follows:

“B. The following accessory uses are incidental or subordinate to, or customarily used in conjunction with, a permitted principal use, as follows:

1. On the island of [Moloka‘i,] Molokai, two farm dwellings per lot, one of which must not exceed 1,000 square feet of maximum developable area. On the islands of Lāna‘i and Maui, two farm dwellings per lot, one of which must not exceed 1,500 square feet of developable area.

2. One farm labor dwelling per five acres of lot area. On the island of Maui, the owner or lessee of the lot must meet at least two of the following three criteria:

a. Provide proof of at least \$35,000 of gross sales of agricultural products per year, for the preceding two consecutive years, for each farm labor dwelling on the lot, as shown by state general excise tax forms and federal form 1040 Schedule F filings.

b. Provide certification by the department of water supply that agricultural water rates are being paid if the subject lot is served by the County water system.

c. Provide a farm plan that demonstrates the feasibility of commercial agricultural production.

On the islands of [Moloka‘i] Molokai and Lāna‘i, the owner or lessee of the lot must meet both [of the] criteria provided by subsections 19.30A.050(B)(2)(a) and 19.30A.050(B)(2)(b).

3. A maximum of two commercial agricultural structures per lot, subject to parking requirements of chapter 19.36B.

4. Storage, wholesale and distribution, including barns; greenhouses; storage facilities for agricultural supplies, products, and irrigation water; farmer’s cooperatives; and similar structures

customarily associated with one or more of the permitted principal uses or, for the purpose of this section, are associated with agriculture in the County.

5. Processing of agricultural products, the majority of which are grown in the County.

6. Energy systems, small-scale.

7. Small-scale animal-keeping.

8. Animal hospitals and animal board facilities; if conducted on the island of [Moloka'i,] Molokai, such uses must have been approved by the [Moloka'i] Molokai planning commission as conforming to the intent of this chapter.

9. Riding academies; if conducted on the island of [Moloka'i,] Molokai [such uses] must have been approved by the [Moloka'i] Molokai planning commission as conforming to the intent of this chapter.

10. Open land recreation as follows: hiking; noncommercial camping; fishing; hunting; equestrian activities; rodeo arenas; arboretums; greenways; botanical gardens; guided tours that are accessory to principal uses, such as farm or plantation tours, petting zoos, and garden tours, excluding zipline, canopy, and bungee jumping conducted for commercial purposes; hang gliding; paragliding; mountain biking; and accessory restroom facilities. If hiking, fishing, hunting, equestrian activities, rodeo arenas, hang gliding, paragliding, or mountain biking are conducted for commercial purposes on the island of [Moloka'i,] Molokai, such uses must have been approved by the [Moloka'i] Molokai planning commission as conforming to the intent of this chapter. Open land recreation uses or structures not specifically permitted by this subsection, subsection 19.30A.060(A)(7), or chapter 19.40[,] are prohibited; certain open land recreation uses or structures may also be required to obtain a special permit in accordance with chapter 205, Hawai'i Revised Statutes.

11. Except on [Moloka'i,] Molokai, bed and breakfast homes permitted under chapter 19.64 that are:

a. Operated in conjunction with a bona fide agricultural operation that produced \$35,000 of gross sales of agricultural products for each of the preceding two years, as shown by state general excise tax forms and federal form 1040 Schedule F filings; or

b. In compliance with [all of] the following criteria, except that the bed and

breakfast home is not subject to a condominium property regime in accordance with chapter 514A or chapter 514B, Hawai'i Revised Statutes:

i. The lot was created prior to November 1, 2008.

ii. The lot is comprised of five acres or less.

iii. An approved farm plan has been fully implemented and is consistent with chapter 205, Hawai'i Revised Statutes; or

c. Located in sites listed on the State of Hawai'i register of historic places or the national register of historic places.

12. Short-term rental homes permitted under chapter 19.65, except that an approved farm plan has been fully implemented and is consistent with chapter 205, Hawai'i Revised Statutes.

13. Parks for public use, not including golf courses, and not including commercial uses, except when under the supervision of a government agency in charge of parks and playgrounds.

14. Family child care homes as defined in section 46-15.35(b), Hawai'i Revised Statutes, that are registered in accordance with chapter 346, Hawai'i Revised Statutes, and located in a legally permitted farm dwelling.

15. Agricultural tourism on a farm.

a. Except on Molokai, agricultural tourism activities are permitted as described in this section.

b. All agricultural tourism activities must be related to and not interfere with the principal farming operations.

c. Agricultural tourism activities may only operate between 8:00 a.m. and 6:00 p.m.

d. If active agriculture operations cease for 60 consecutive days or longer, agricultural tourism activities are no longer allowed and are subject to the registration process described in this subsection.

e. The lot upon which the farm is located must have legal access to a public highway and fire apparatus access roads that must be maintained to support the width and imposed loads of fire apparatus.

f. All farms on which agricultural tourism activities are conducted must provide the

designated number of off-street parking spaces under chapter 19.36B.020.

g. Agricultural tourism activities a producer may offer include:

i. Demonstrations, workshops, or presentations relating to agricultural practices and products grown, raised, caught, or produced in Hawai'i, with priority given to County-grown, raised, caught, and produced agricultural products and value-added products, including botanical and traditional crafts, such as lei making, ku'i 'ai, cordage and rope making, saddlery and leatherwork, basketry, weaving, carving, feather work, coffee roasting and tasting, tea processing and brewing, tapa production, honey and beeswax production, cacao processing and tasting, dairying, cheese making, cooking, lā'au lapa'au and instruction in the use of medicinal plants, native Hawaiian agricultural practices, and agricultural conservation, innovation, and sustainability.

ii. Activities that support archaeological, historical, and cultural site preservation, restoration, rehabilitation, or improvement under subsection 19.30A.050(A)(7), including living history demonstrations, site study and mentoring, traditional hale building, tool making, and interpretative demonstrations.

iii. The sale of agricultural products and non-agricultural commemorative items may be permitted under the commercial agricultural structures requirements of section 19.30A.072.

iv. Activities related to the indigenous culture's traditions. The department of 'ōiwi resources may be consulted for guidance regarding these activities, the avoidance of misappropriation of the indigenous culture's traditions, and the practice of the activities with respect for the indigenous culture's intellectual property and traditional and ancestral knowledge.

h. Producers who propose to own or operate an agricultural tourism activity must register the activity with, and obtain approval from, the department. The registration form must include:

i. The producer's name, address, and contact information.

ii. The tax map key number of the location of the proposed activity.

iii. Verification by the department that the producer is the owner, lessee, or licensee of the lot on which the proposed activity is located. If the producer is the lessee or licensee, owner authorization must also be provided. A lessee or licensee must have a verifiable lease with a minimum duration of one year for the portion of the lot upon which the activity is located.

iv. The type of activity being registered.

v. Verification by the department of fire and public safety of access from the lot upon which the farm is located to fire apparatus access roads that are maintained to support the width and imposed loads of fire apparatus.

vi. The signature of the producer, certifying acknowledgment of, and compliance with, the requirements of this chapter and all other applicable laws and regulations.

vii. Any additional information needed to ensure compliance with this chapter, if requested by the director.

[15.] 16. Other uses that primarily support a permitted principal use; however, the uses must be approved by the appropriate planning commission as conforming to the intent of this chapter.”

SECTION 3. Section 19.36B.020, Maui County Code, is amended to read as follows:

**“19.36B.020 Designated number of off-street parking spaces.** Unless otherwise provided in this chapter, the following

minimum numbers of accessible, onsite, off-street facilities for the parking of self-propelled motor vehicles [shall] must be provided in connection with the use of any land or the construction, alteration, or improvement of any building or structure. When reviewing a building permit application or proposed change of use, the department [shall] must determine whether the applicant must submit a parking and landscaping plan to establish compliance with this chapter. If the department requires a plan, the department will not recommend approval of a building permit application or proposed change of use until it approves the plan and will not approve a certificate of occupancy or final inspection until the applicant has implemented the approved plan. The number of required parking spaces [shall be] is based on the floor area of each use or component use except where otherwise specified. When calculating the total number of required parking spaces, a fraction less than one-half [shall be] is disregarded, and a fraction of one-half or more [shall require] requires one parking space. The following chart establishes the general requirements for accessible, onsite, off-street parking. Compliance with the Americans with Disabilities Act, administered through the State department of health, disability and communications access board, and with State requirements for electric-vehicle parking is also required.
