Dear Chair King:

SUBJECT: MOLOKAI COMMUNITY PLAN UPDATE (PC-02)

This is in response to your November, 2017 request for comments to Chapter 11, Section 11.5 of the proposed Molokai Community Plan.

The Department of Water Supply (DWS) does not own or operate any water facilities on the West End of Molokai. With regards to Action Item 11.5.06 "Support the testing for contaminants at residential faucets of at least 7 homes quarterly", please note that DWS has no jurisdiction over private water systems to coordinate water sampling. We suggest this action item be addressed by the State Department of Health Safe Drinking Water Branch. Technical assistance to private water systems is also provided by organizations such as the Hawaii Rural Water Association.

Should you have any questions, please feel free to contact me at ext. 7816.

Sincerely,

DAVID TAYLOR, P.E.
Director of Water Supply
