**TESTIMONY TO THE  
ECONOMIC DEVELOPMENT, ENERGY, AGRICULTURE, AND  
RECREATION COMMITTEE  
OF THE  
MAUI COUNTY COUNCIL  
May 17, 2016**

**EAR-54**

**ATHORIZING THE MAYOR TO ENTER INTO AN INTERGOVERNMENTAL  
AGREEMENT WITH THE STATE BOARD OF LAND AND NATURAL RESOURCES,  
RELATIVE TO THE OPERATION, USE, AND MAINTENANCE OF THE CENTRAL  
MAUI REGIONAL SPORTS COMPLEX.**

**Chair Guzman, Vice Chair Cochran, and members of the Committee:**

*I support* the passage of EAR-54 measure which authorizes the mayor to enter into an intergovernmental agreement with DLNR for the operation, use and maintenance of the Central Maui Regional Sports Complex.

As the Central Maui Regional Sports Complex is built in its entirety it will contain multiple ball fields on approximately 65 acres. Maui County is facing a shortage of ball fields for local youth teams, particularly for certain sports such as softball. The Central Maui Regional Sports Complex addresses an immediate and growing need for more sports facilities for youth athletics, and can have a positive social impact for the entire Maui community.

Thank you for the opportunity to testify and I ask for your support to pass this measure out of this committee.

Sincerely,

JT & Lacey Sardinha
