Subject: Affordable Housing Project (Chapter 201H, Hawaii Revised Statutes) (Independent Development of Makila Farms PROJECT (LAHAINA)) (AH-1(3))

Aloha,

We are writing in support of the proposed Makila Farms work force project in Lahaina.

This is a much needed project and we urge your support and approval.

No other workforce community Maui has provided workforce homes on even 1/2 acre lots.

Greg Brown has the experience, knowledge, and passion to help local families fulfill their dream of home-ownership here on Maui and we believe this is a much needed project for hardworking Maui families!

We do not want the West Maui Community Planning Action Committee (CPAC) to delay this or any other project that has any affordable housing in West Maui. We are in a housing crisis mode.

Sincerely,
Darren and Carolyn Wilfley
