Subject: Mana Kai Parking Lot

Aloha to whomever reads this...

It is so necessary to keep the public parking lot area behind the Mana Kai completely and totally public!!!

This area should not in any way, shape or form be privatized for any reason whatsoever!!

I ask any representatives for the public speak loud and clear on this subject. That lot, which is an entrance to one of the most beautiful beaches on all of Maui, is a favorite spot for many of us long time Maui residents to park and enjoy a day at the beach or a sunset walk. Please be sure to keep it public and open to all for many generations.
KEEP IT PUBLIC PLEASE!!!!!!

Kindly let me know this message was received... Mahalo!
