Dear Maui County Clerk Maui County Council,

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

Sincerely,

Dear Maui County Clerk Maui County Council,

If Maui county felt that their position in this case was for the benefit of the community then it would have made this lawsuit more public. Maui county screwed up and someone doesn't want to admit fault so they will waste millions of tax payer money to keep everyone from finding out who really messed up. It will all come out in the end. Their inaction will affect not only residents and visitors to Maui, but across the nation. Do we really want Maui to be known for the island that squashed the clean water act? If it happens it will be the politicians names in Maui county that will circulate the globe. Shame!! Pono!

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,
