Hello, Chair Victorino--

Thank you for reaching out to us, and your leadership in discussing these two proposals at tomorrow's Policy and Intergovernmental Affairs Committee hearing.

- Upon first look, we think PIA 10-10 (prohibiting political activities of Corporation Counsel and Prosecuting Attorney) is fine.
- PIA 10-13 (prohibiting contributions from county employees) can be problematic. While it'd be nice and cleaner to prohibit contributions, we can see this potentially being challenged in court. Particularly with the U.S. Supreme Court's *Citizens United* decision essentially saying that campaign contributions is free speech and we can't restrict that; which is what PIA 10-13 seems to aim to do.

Here is a link that shows staff + political activity statutes by state:

Hope this is helpful. Thank you for your time.

Aloha,  
Carmille
