DESCRIPTION OF THE PROJECT

On November 24, 2009, Ms. Anne Takabuki ("Applicant"), requested a time extension and transfer of the subject Conditional Permit to Wailea Golf LLC. Wailea Golf LLC is the current owner of the property ("Owner"). The permit holder is South Maui Business Park Partners. The Conditional Permit is required to allow for continued use of an off-site parking lot in the A-2 Apartment District, for property identified as 0 Wailea Iki Place, Maui Tax Map Key (2) 2-1-008:141 ("Property"). The off-site parking lot serves to satisfy parking requirements of the Wailea Tennis Center, located at Maui Tax Map Key (2) 2-1-008:123. (See **Exhibit 1: Request**; **Exhibit 2: Authorization from South Maui Business Park Partners**)

The parking lot provides a total of 54 parking stalls. (See **Exhibit 3: Location Map**; and **Exhibit 4: Aerial Photograph**)

No other amendments, construction or improvements are proposed.

BRIEF HISTORY OF APPLICATION

1. In March 1999, applications for *Change in Zoning* from the A-2 Apartment District and Open Space to the B-2 Community Business District, *Conditional Permit*, *Offsite Parking Approval*, *Special Management Area Use Permit*, and *Planned Development Approval* were filed with the Department of Planning (Department). The project included development of a 50,000 square foot business center and related improvements at Maui Tax Map Key (2) 2-1-008:103 on approximately 4.16 acres of land, and off-site parking for the Wailea Tennis Center on approximately 0.55 acres of land identified by Maui Tax

Map Key (2) 2-1-008:141 (CIZ 99/0007, CP 99/0007, SM1 99/0007, PD1 99/0001, OSP 99/0004).

2. The initial application for a Conditional Permit (CP 99/0007) was reviewed by the Maui Planning Commission (Commission) on September 14 and 28, 1999. The Commission voted to recommend approval of the Conditional Permit (**Exhibit 5**), and it was subsequently enacted by the County Council via Ordinance No. 2829 (**Exhibit 6**), on February 28, 2000, subject to the following conditions:
 1. *That full compliance with all applicable governmental requirements shall be rendered.*
 2. *That the Conditional Permit shall be valid for a period of ten (10) years from the effective date of this ordinance; provided that, an extension of this permit beyond this ten (10) year period may be granted pursuant to Section 19.40.090 of the Maui County Code.*
 3. *That the Conditional Permit shall be nontransferable without prior written approval of the Maui County Council.*
 4. *That the applicant, its successors and permitted assigns shall exercise reasonable due care as to third parties with respect to all areas affected by subject Conditional Permit and shall procure at its own cost and expense, and shall maintain during the entire period of this Conditional Permit, a policy or policies of comprehensive liability insurance in the minimum amount of ONE MILLION AND NO/100 DOLLARS (1,000,000.00) naming the County of Maui as an additional named insured, insuring and defending the applicant and County of Maui against any and all claims or demands for property damage, personal injury and/or death arising out of this permit, including but not limited to: (1) claims from any accident in connection with the permitted use; or occasioned by any act or nuisance made or suffered in connection with the permitted use in the exercise by the applicant of said rights; and (2) all actions, suits, damages, and claims by whomsoever brought or made by reason of the non-observance or non-performance of any of the terms and conditions of this permit. A copy of a policy naming County of Maui as an additional named insured shall be submitted to the Department within ninety (90) calendar days from the date of transmittal of the decision and order.*
 5. *That the parking lot shall be developed in accordance with the standards of Chapter 19.36, Offstreet Parking and Loading.*
 6. *That lighting for the parking lot shall be appropriately shielded to diminish glare and lighting impacts on the adjacent residential parcels. Further, the lighting standard shall be 12-14 feet as noted by the applicant.*
3. On August 4, 2003, Rebecca Broudy Collins, on behalf of South Maui Business Park Partners, requested the Planning Director transfer the Special Management Area Use Permit (SM1 990007), Planned Development Approval (PD1 990001), and Offsite Parking Approval (OSP 990004) from South Maui Business Park Partners to Wailea

Town Center Investors LLC. The request for transfer did not include the subject Conditional Permit (CP 990007). (See Exhibit 7)

4. On August 11, 2003, the Department approved the transfer of the Special Management Area Use Permit, Planned Development Approval, and Offsite Parking Approval from South Maui Business Park Partners to Wailea Town Center Investors LLC (Exhibit 8).
5. Ownership of Tax Map Keys (2) 2-1-008:103 and 141 underwent several changes from 1995 to 2013 (Exhibit 9);
6. On March 21, 2016, the Maui County Planning Department approved a twenty-year time extension of the Conditional Permit to February 28, 2030 (Exhibit 10).
7. Processing of the subject request was unavoidably delayed for the following reasons:
 - a. The applicant had difficulty obtaining proper authorization for the transfer from South Maui Business Park Partners to Wailea Golf LLC because according to the applicant, South Maui Business Park Partners was dissolved and no longer exists. On August 22, 2013, the Department obtained proper authorization for the transfer from J. Stephen Goodfellow, the permit-holder for South Maui Business Park Partners (Refer to Exhibit 2); and
 - b. Staff were unable to locate the project folders, thus considerable time was expended to locate copies of documents held by other parties in order to recreate the Department file. Furthermore, numerous staffing changes resulting in reassignment of the subject request have occurred since the request was filed.

DESCRIPTION OF THE PROPERTY

1. The Property is approximately 0.55 acres or 24,066 square feet, and is located on Wailea Iki Place, Maui Tax Map Key 2-1-008:141, Kihei, Maui, Hawaii. (Refer to Exhibits 3 & 4)
2. Land Use Designations –
 - a. State Land Use District – Urban District
 - b. Maui Island Plan – Urban Growth Boundary
 - c. Kihei-Makena Community Plan – Roadway
 - d. County Zoning – A-2 Apartment District
 - e. Other – Special Management Area
3. Surrounding Uses –

APPLICABLE REGULATIONS

1. **Maui County Code, 19.40.080 – Conditions, amendments, modifications.**
 - A. Conditional permits may be issued subject to such terms and conditions deemed reasonable and necessary to fulfill the intent and purposes of this title. All changes in the use or appearance of land or buildings allowed by the permit shall be in accordance with the specified conditions and the proposal as approved. Such permit shall be issued subject to compliance with and/or fulfillment of such terms and conditions and shall so state.
 - B. Any person who has been issued a conditional permit may request the commission to review a request to amend or delete any terms and conditions imposed upon such permit.
 - C. The commission on request or on its own initiative may recommend action to revoke any conditional permit or amend or delete any terms, conditions, and time stipulations of such conditional permit if such action is deemed necessary to effectuate the purpose and intent of this chapter. The commission shall provide due notice in writing to the applicant/permittee and an opportunity for a hearing.
 - D. The planning director may approve amendments to the conditional permit if the amendments are not substantive and do not result in significant impacts above what would result from the approved conditional permit. Before approving any such amendments, the planning director shall notify the respective planning commission of the proposed non-substantive amendments. The commission may review the proposed non-substantive amendments and take action or waive review.
2. Ordinance No. 2829 requires through Condition No. 3 that Maui County Council is the approving body for transfer of the Conditional Permit.
3. The subject application does not involve an action that triggers compliance with Chapter 343, Hawaii Revised Statutes, relating to Environmental Impact Statements.

REVIEWING AGENCIES

The Application for a transfer of the Conditional Permit was not transmitted to agencies as it is considered a minor change and involves no other amendments, construction or improvements are proposed.

ANALYSIS

1. Condition No. 3 of the Conditional Permit provides that the permit shall not be transferred except by written approval of the Maui County Council.

Response: The subject request complies with Condition No. 3; the Applicant is requesting a transfer of the Conditional Permit. The transfer request is being reviewed by the Maui Planning Commission for recommendation to Maui County Council.

2. Maui County Code Section 19.40.090 – Time Extensions of Conditional Permits, requires that:
 - a. The request for time extension was timely filed.
 - b. The permit holder is in compliance with the conditions of approval.
 - c. The permitted use has not substantially changed and new uses have not been added.
 - d. Agencies have not identified new matters of concern that require mitigation.
 - e. No protests have been received from the owners and lessees of record nor have any Requests for Service been filed on the property.

Response: The Applicant is in compliance with the stipulations above, therefore, on March 21, 2016, the Planning Director approved a time extension of the Conditional Permit to February 28, 2030. (See **Exhibit 10**)

3. Section 19.40.080(D) Maui County Code, provides that:

The planning director may approve amendments to the conditional permit if the amendments are not substantive and do not result in significant impacts above what would result from the approved conditional permit. Before approving any such amendments, the planning director shall notify the respective planning commission of the proposed non-substantive amendments. The commission may review the proposed non-substantive amendments and take action or waive review.

Response: Transfer of the Conditional Permit for an established use that does not involve other amendments, construction or improvements is a non-substantive amendment. Therefore, the Department will recommend that future transfers be eligible to use this process instead of requiring ordinance approval by the County Council.

CONCLUSION OF LAW

Based on the foregoing findings and analysis, the Planning Department finds that the proposed transfer of the Conditional Permit for off-site parking in the A-2 Apartment District is in accordance with the specified conditions as approved, is not substantive, and will not result in significant impacts above what would result from the approved conditional permit

RECOMMENDATION

Pursuant to the foregoing the Maui County Planning Department recommends that the Maui Planning Commission recommend to the County Council approval of the transfer of the Conditional Permit subject to the following amended conditions:

1. That full compliance with all applicable governmental requirements shall be rendered.

2. That the Conditional Permit shall be valid until February 28, 2030; provided that, an extension of this permit beyond this period may be granted pursuant to Section 19.40.090 of the Maui County Code.
3. That the Conditional Permit shall be [non]transferable by the Planning Director following the provisions of Section 19.40.080(D) of the Maui County Code [without prior written approval of the Maui County Council].
4. That the applicant, its successors and permitted assigns shall exercise reasonable due care as to third parties with respect to all areas affected by subject Conditional Permit and shall procure at its own cost and expense, and shall maintain during the entire period of this Conditional Permit, a policy or policies of comprehensive liability insurance in the minimum amount of ONE .MILLION AND NO/100 DOLLARS (1,000,000.00) naming the County of Maui as an additional [named] insured, insuring and defending the applicant and County of Maui against any and all claims or demands for property damage, personal injury and/or death arising out .of this permit, including but not limited to: (1) claims from any accident in connection with the permitted use; or occasioned by any act or nuisance made or suffered in connection with the permitted use in the exercise by the applicant of said rights; and (2) all actions, suits, damages, and claims by whomsoever brought or made by reason of the non-observance or non-performance of any of the terms and conditions of this permit. A copy of a policy naming County of Maui as an additional [named] insured shall be submitted to the Department within ninety (90) calendar days from the date' of transmittal of the decision and order.
5. That the parking lot shall be developed in accordance with the standards of Chapter 19.36A, Offstreet Parking and Loading.
6. That lighting for the parking lot shall be appropriately shielded to diminish glare and lighting impacts on the adjacent residential parcels. Further, the lighting standard shall be 12-14 feet as noted by the applicant.

Chair Tsai: Thank you, Stephen. Thanks for coming. So we also have one other member who's not present, new member Lawrence Carnicelli. So thank you for joining us. Next item on the agenda we election for the officers for the new year 2016-2017 commission year.

(Excused - L. Carnicelli, S. Duvauchelle, L. Hudson)**

Mr. Spence: Commissioners, real quickly. Commissioners we're on No. G., Ms. Anne Takabuki, President of Wailea Golf LLC requesting a transfer of a Conditional Permit to Wailea Golf Inc. We have Ms. Livit Callentine. Basically you're taking it from one entity and to another entity. I'll let Livit say ...(inaudible)...

G. COMMUNICATIONS

- 1. MS. ANNE TAKABUKI, President of WAILEA GOLF, LLC requesting a transfer of a Conditional Permit to WAILEA GOLF, INC. to continue operation of an off-site parking lot in the A-2 Apartment District to satisfy parking requirements for the Wailea Tennis Center on approximately 0.55 acres of land at 0 Wailea Iki Place, TMK: 2-1-008: 141, Wailea, Island of Maui. (CP 99/0007) (L. Callentine)**

Ms. Livit Callentine: Yes, will Hi, good afternoon, and congratulations. Welcome to our new member. Congratulations, Vice-Chair, Chair. Thank you for hanging in so long this afternoon. This is a transfer of a conditional permit that has been in operation for quite a long time since...it came in in 1999 and it is a conditional permit for offsite parking lot in the A-2 Apartment Zoning District. So that is the reason that a conditional permit was needed because parking is not a outright permitted use in the A-2 Apartment District.

The condition of the ordinance that was enacted said that the permit is not transferrable without prior written approval on the part of the Council. So we're asking you to make a recommendation to Council and further we've recommended an amendment to that Condition to Council, we're asking you to follow our recommendation to Council which would allow for the Planning Director to approve this future transfers of this permit. Because we believe that Section 19.40.080 of the Maui Code applies to...could apply to transfers and that part of the Code says that the Planning Director may approve amendments to the Conditional Permit if the amendments are not substantive and do result in significant impacts. I will abbreviate it there, but our analysis of that and I am really abbreviating my presentation because of the interest of time but I am prepared to speak more if you have questions. But I'm...but we've analyzed this project for quite some time getting it ready and we've determined that because there's no other amendments there are no construction and no improvements are proposed with this transfer it is a nonsubstantive amendment and therefore we will also recommend if this is recommended by you and further accepted by Council that future transfers be eligible to use this same process instead of requiring an ordinance by County Council just to make a transfer. Thank you. And I do have in the audience today we have Tessa Munekiyo-Ng from Munekiyo Hiraga and also Ms. Anne Takabuki too if you would like to hear from either of them.

Chair Tsai: Thank you. Right at this moment we're gonna open the floor for public testimony. Anyone wish to testify on this agenda item please step forward? Seeing none, public testimony is closed.

Ms. Callentine: Mr. Chair, I am so sorry but I actually wanted to point out to you that this is a regional location map. Here's Wailea Ike Drive coming down from Piilani Highway, here's Wailea Ike Place and this little red crescent here is the parking lot. The tennis court for which the parking lot is satisfying some of the parking is on this parcel. Aerial photo, an aerial photograph of it again shows you the tennis court up here, the parking lot here and then the Wailea Business Center which was part of the original package of permits that were approved is there. Thank you for allowing me to amend my presentation.

Chair Tsai: Thank you. Commissioner Hedani?

Mr. Hedani: In view of the hour and to ensure that we don't lose quorum at the meeting can we assume that everyone's read this thing religiously before we got to leave?

Chair Tsai: Everyone read this?

Mr. Robinson: I don't want to use the word, religious, nobody's referred to me as that but I read it and I have a couple questions.

Chair Tsai: Commissioner Robinson?

Mr. Robinson: First of all it says here the permit's going to be good until 2030?

Ms. Callentine: Yes, that's correct. A time extension was just approved in March.

Mr. Robinson: This is one that we just approved in March?

Ms. Callentine: No this was approved by...this is a very good question. Thank you for asking it. Maui County Code Chapter 19.40 several years ago was amended by Council to allow for time extensions to be approved by the Planning Director provided that certain criteria were met. Now I described that in on Page 6 of the report/recommendation up at the top, Item 2 I talk about the time extensions. So the time extension has to have been filed timely which it was. The conditions of approval have to be...there has to be compliance with conditions of approval. The uses shall not have changed and agencies shall not have identified any additional matters of concern. And no protests were received by owners or lessees of record. So the applicant was required to mail out by certified mail to all surrounding parcels within 500 feet a notice of the intent to...filing of a request for a time extension and received no responses back or they received no responses back.

Mr. Robinson: The new owner or the old owner?

Ms. Callentine: That is the owner of the parcel. So the time extension was mentioned in here

because it was already done.

Mr. Robinson: Already done?

Ms. Callentine: Yes, it's been done. The only thing that is being requested today is a transfer from South Maui Business Partners, an entity which no longer exists by the way, and to Wailea Golf LLC.

Mr. Robinson: Did Wailea Golf purchase South Maui Partners?

Ms. Callentine: You know I think at this point in terms of historical I think it might be more appropriate for me to bring up Ms. Takabuki if you don't mind.

Mr. Robinson: Sorry it's a 14-year lease that's why.

Chair Tsai: Anne will you please identify yourself for the record?

Ms. Anne Takabuki: Sorry, I'm Anne Takabuki, I'm President of Wailea Golf, and good afternoon everyone. No, Wailea Golf did not purchase that directly from South Maui Business Partners. Actually there was kind of a glitch in the way this all went because South Maui did not transfer it to our predecessor owner. That would have been the appropriate thing to have been done but that didn't happen. So we took title from another entity called Wailea Golf Resort Inc., without really having any knowledge of this permit at that time. And then when we became aware of it that's when we decided we better correct all these things that should have happened with the transfer of ownership. So basically that's why we're here today to try to correct that.

Mr. Robinson: And currently this parking lot this is where the new Marriott is going am I correct?

Ms. Takabuki: It's gonna be very close to it, correct.

Mr. Robinson: And isn't that parking lot currently being used for construction? I was just there a few days ago?

Ms. Takabuki: Well, they're taking some liberties let's put it that way. I think they are in need of having some extra trucks to be parked in the area so we have said that as long it's available and it's not imposing on the guests you know it's temporarily they might be able to use it But you know that's a very temporary situation otherwise they would try to probably park all over the road which is not a good thing.

Mr. Robinson: Okay. And Director is this just...permit just for they're only allowed to use it as a parking lot?

Mr. Spence: That's correct.

Mr. Robinson: Okay. Thank you so much.

Ms. Takabuki: Thank you.

Chair Tsai: Any other questions? Seeing none, can I get a motion please? Commissioner Medeiros

Vice-Chair Medeiros: Move to accept this as recommended.

Mr. Castro: Second.

Vice-Chair Medeiros: Second by Commissioner Castro. Discussion on the motion? Seeing none, call for a vote. All in favor of the motion raise your hand?
