Aloha Mr. Gomes,
I am writing on behalf of Councilmember Elle Cochran, Chair of the Maui County Council's Infrastructure and Environmental Management Committee (IEM).

The Committee has been discussing the removal of sand from the Central Maui region and its impacts on the environment and historic, cultural, archaeological and kanaka o iwi burial sites.

The IEM Committee's next meeting is scheduled for Monday, July 3, 2017 at 1:30 p.m. in the 8th Floor Council Chamber.

We have confirmed that representatives from the State Historic Preservation Division will attend the meeting to answer questions of the Committee.

However, the Committee has also requested your attendance at the meeting as Maui's representative to the Board of Land and Natural Resources.

Therefore, on behalf of Councilmember Cochran, may I respectfully request your attendance to the next IEM Committee meeting scheduled for July 3, 2017.

Thank you for your consideration of this request. May I also request that you provide a response to this request at your earliest convenience. Should you have any questions please contact me at g.saldana@mauicounty.us or directly at 270-7137.

Warmest Aloha,
Gary
