Dear EAR Committee Staff,

Please include this e-mail message from Irene Bowie together with the attached photo of the signage posted at Kanaha Beach Park informing of the renovation project as background information to our EAR-46 item.

Thank you,

Don Guzman - Chair
Economic Development, Energy, Agriculture and Recreation Committee

Aloha Rob and Don,

I was made aware of signage at Kanaha Beach Park announcing a renovation project. It's posted at entrance just beach park side of Ka'a Point. I've got calls into Brianne and others at Parks Dept. but haven't had a return call yet. The sign says this project is being brought to the community by Mayor's Office and County Council. Can you get back to me on what this project entails? I've had a number of calls regarding this.

Mahalo nui,
Irene
