Dear Mr. Baz:

**SUBJECT: PARKING NEAR THE KALANA O MAUI CAMPUS**  
(IT-27)

May I please request the following information:

1. A cost analysis comparison on the different road construction materials, such as recycled asphalt and gravel, being considered for the Kalana O Maui Campus parking lots.
2. A list of building code requirements for the Kalana O Maui Campus, including the number of required parking stalls per square foot.
3. How employee parking may be impacted by the purchase of additional properties in the vicinity of the Kalana O Maui Campus.
4. The number of County employees on the waitlist for a parking stall at the Kalana O Maui Campus, and the approximate wait time for a stall.
5. A breakdown of the Kalana O Maui Campus parking fee structure, including by cost, type, and location.
6. It was referenced at the March 1, 2021 meeting that the lowest bid for this project was still higher than the amount budgeted. Is a budget amendment anticipated, and if so, how much will the amendment be for?
