Aloha-

I am writing today in support of EDB-52. My family and I are one of the families out in Hāna that has lived under my in-laws roof for years. Raising our 5 kids in one bedroom. A few years ago, we were forced to move and needed a place to rent. Thankfully we found a place. How long will this last though? We worry all the time waiting for an eviction notice, because the owner might sell. Now if the owner does sell, there is no way we would be able to afford that! Please approve this much needed project for the community. Mahalo for your time.
