Subject: Front street apartments lahaina

Aloha Committee,

I live in Lahaina at the Front Street Apartments.
I have heard that the 50 year lease has been broken
and our rent is increasing by \$500-\$600 a month.
I have lived here 13 years and I love it. One of the
reasons I moved here is because of the 50 year lease with HUD.

More than half the people that live here and don't
have the means or money to pay the increase or
moving expenses will be devastated and perhaps
Homeless.

This increase is insane and I am sure you are well
aware of this move. Please take into consideration
How this is going to affect us human beings.
