PROPOSAL	
Brief Description	<p>Christopher and Candice Hayes are proposing the Ohukai Light Industrial Subdivision, which will consist of 21 light industrial lots with related improvements on approximately 14.626 acres of a 28.7-acre property in Kihei, Maui, Hawaii. The lots will be leased as storage base yards to store and secure materials and equipment. The lots will vary in size from approximately 0.440 acres to 1.130 acres, and each will be fenced for security purposes.</p> <p>For land use and zoning consistency, a DBA is proposed from ‘Agricultural’ to ‘Urban’ and a COZ from ‘Rural to ‘M-1 Light Industrial.’</p>
Public Hearing	Held by Maui Planning Commission (Commission) on June 13, 2023 at the Planning Conference Room at the Kalana Pakui Building in Wailuku, Maui, Hawaii.
Testimony	<p>Ten people provided oral testimony in support of the project and two provided oral testimony in opposition to the project at the Commission meeting.</p> <p>As of January 29, 2024, the Department had received two letters of support for the project and 164 signatures from Kihei residents not opposed to the project. No letters of opposition were received.</p>
Recommendation	The Commission recommended approval of the DBA and COZ.

The Commission reviewed the subject proposal at its June 13, 2023, public meeting and recommended approval of the DBA. The Commission also recommended approval of the COZ with the following conditions to the Maui County Council (Council):

1. The Applicant shall provide a left-turn lane and median refuge lane at Ohukai Road and Huku Lii Place, as approved by the Department of Public Works (DPW).
2. The Applicant shall post signs restricting the use of engine brakes.
3. A sidewalk shall be installed along Ohukai Road, fronting the project area, consistent with other commercial properties in the area.
4. Best Management Practices shall be developed by the project engineer and the Applicant, and incorporated into the lease documents, including the use of filter fabric when washing and maintaining boats and vehicles to capture hazardous material and toxic waste from entering the soil.
5. A lease document shall be provided to Council prior to their approval.
6. There shall be a 20-foot landscaping buffer with trees along Ohukai Road to provide a visual screen to minimize dirt and noise. A solid four-foot wall will be installed 20 feet from the front property line for noise mitigation.

7. The Applicant shall work with DPW to determine if the proposed use and types of vehicles traversing in/out would trigger the need for additional traffic improvements along Ohukai Road for pedestrian and bicyclist safety.
8. Any use permitted in a B-1, B-2, or B-3 business district except single family dwellings, duplexes, bungalow courts, short-term rental homes, and transient vacation rentals shall not be allowed. The Applicant shall allow for 'M-1 Light Industrial' uses as follows:
 - Animal kennels
 - Education, specialized
 - General food, fruit and vegetable processing and manufacturing plants
 - Light and heavy equipment and product display rooms, storage and service
 - Machine shop or other metal working shop
 - Plumbing shops
 - Production facility, multimedia
