APPROVED FOR TRANSMITTAL

Mayor Date

For Transmittal to:

Honorable Shane M. Sinenci, Chair
Water Authority, Social Services,
and Parks Committee
Maui County Council
200 South High Street
Wailuku, Hawaii 96793

Dear Chair Sinenci:

SUBJECT: BILL 111 (2024), ESTABLISHING PROCEDURES FOR THE REMOVAL AND STORAGE OF PERSONAL PROPERTY IN PUBLIC PLACES AND A RIGHT TO SHELTER (WASSP-13)

Thank you for your correspondence dated March 25, 2025 regarding the "Recommendations to Address Homelessness in Maui County" prepared by ECONorthwest. For ease, the Committee's questions in bold will be followed by the Department's responses.

1. Please provide the following copies:

- a. Request for Proposal 22-23/P-67 for the report, entitled "A Homeless Strategic Plan."**

See attached.

- b. Signed agreement with ECONorthwest.**

A Notice to Requester has been sent to the Committee's email pursuant to UIPA processes. Copies of the signed agreements have been uploaded via the GovQA portal. The GovQA Reference Number is R004466-040725.

2. Did the report completed under RFP 22-23/P-67 fulfill the Department's requested scope of work? Why or why not?

The contractor met the bare minimum of contractual requirements as noted in page 9 of the Request for Proposal.

3. To improve "all aspects of the homelessness support system," the report recommends "effective coordination and collaboration between organizations that interact with unhoused and housing insecure people in Maui County." Will the Department take the lead in increasing coordination and collaboration between these organization? Please explain.

The Department has consistently worked to increase collaboration and coordination between organizations who serve the houseless populations. The Department has conducted training for specific sub-populations of providers such as the hospital staff to help them understand the larger system of care and how permanent housing resources are funded and accessed. We have for years made this training available to the Maui Homeless Alliance and any organization (Rotary Clubs, Realtors, etc.) that has expressed an interest in understanding our system of care.

The Department has committed further to sponsoring trainings for our staff and for the larger public in topics such as harm reduction and trauma informed care. This mirrors a recommendation made by the consultant.

The Department is aligned with a Housing First model, an internationally recognized evidence based practice, that remains a foundational strategy of the U.S. Department of Housing and Urban Development (HUD) which provides the lion's share of funding for housing chronically homeless individuals and families. One challenge of achieving a higher level of coordination among our varied service providers is that not all providers are aligned with nor understand HUD's strategies. Our Department's goal is to end the homelessness of individuals by permanently housing them and providing services as requested to maintain tenancy. Some service providers are more focused on supporting encampments and have at times interfered with other providers' efforts to end the homelessness of individuals and families. This disparity in mission/goals may hopefully be reduced by expanding discussion and providing road maps where common ground can be found.

Thank you for the opportunity to provide this information. Should you have any questions, please feel free to contact me at Ext. 7805.

Sincerely,

LORI TSUHAKO, LSW, ACSW

PART 1. INTRODUCTION

1.1 PURPOSE OF THE RFP

The County of Maui is seeking a Consultant or a Team of Consultants (Consultant Team) to prepare a Homeless Strategic Plan (HSP) to reduce and prevent homelessness in our County and strengthen the physical health, mental health, and social supports for our unsheltered residents.

The final plan should:

- Be in alignment with evidence-based practices and current Federal Department of Housing and Urban Development (HUD) funded programs servicing the homeless population.
- Be in alignment with the goals and mission of Bridging the Gap (BTG), Balance-of-State Continuum of Care (CoC). Maui County is a member of BTG.
- Be in alignment with the United States Interagency Council on Homelessness (USICH) and the State of Hawaii's plan on ending homelessness.
- Develop measurable goals and strategies with clear timelines. The plan should address the six-year period from 2023-2029, and should identify timelines for achievement of key objectives.
- Utilize data from the County's records and from the records of the Continuum of Care (e.g. HMIS) to determine performance goals and progress toward them.
- Engage and empower the community to be part of the solution.
- Develop a shared vision interdepartmentally and countywide.
- Develop strategies to address encampments that are housing-focused, sensitive to individual's civil rights, with conscious consideration for public safety, public health, and environmental impacts.
- Present ideas and means for funding sustainability.

In light of the recent COVID-19 pandemic, the HSP should also address the rapidly changing needs of the homeless community, as well as the financial and economic impacts of the global pandemic. Building consensus and buy-in among the Maui County public community, homeless

service providers, various County Departments, and other key stakeholders will be critical to the success of the plan. The HSP should also include the participation and input of individuals with lived experience.

1.2 SUBMISSION INSTRUCTIONS

Proposals must be completed, signed, and submitted via the Public Purchase System (www.publicpurchase.com) before the deadline of October 28, 2022.

Written questions of requests for clarification regarding any aspects of the above proposal must be submitted at least five (5) days prior to the Closing Date. Please refer questions to David Nakama, Homeless Program Coordinator, County of Maui, by email: David.Nakama@co.maui.hi.us

The total number used to score this proposal is 100.

The County reserves the right to reject any and all proposals submitted by bidders. PART 2. SCOPE OF SERVICES

2.1 BACKGROUND

Maui County is a unique community within the Hawaiian Islands that is comprised of three (3) main islands: Maui, Moloka'i, and Lana'i, with a total estimated population of 164,221. According to the annual Point-in-Time (PIT) count, the County experienced a spike in homelessness between 2015-2016, with a homeless count peak of 1,145 in 2016. In the years following, the PIT count has shown a steady decline in the number of homeless with the latest 2022 PIT count of 741, a 35% decrease from 2016. This decline is mainly attributed to the County adopting the Housing First approach to ending homelessness and the high level of adherence to Housing First from the participating homeless services agencies.

Maui County saw a five (5) percent increase in unsheltered homeless in the 2022 PIT count when compared to the 2020 count (there was no count in 2021 due to the COVID-19 pandemic), theoretically attributed to the decrease in shelter capacity as the shelters were required to impart COVID-19 congregate shelter spacing protocols in order to create more distance between the occupants. Social distancing requirements during COVID-19 essentially reduced the number of available shelter beds.

Currently, Maui County has a strong commitment to building affordable permanent housing projects. One particular example is the Huliau Affordable Housing Project, which is a 12 -2-bedroom unit rehabilitated college dormitory. The funding for the project came from multiple sources such as the Hawaii Housing Finance & Development Corporation (HHFDC)'s Dwelling Unit Revolving Fund (DURF) which paid for the renovation, and the State Legislature's Ohana Zone Funding, which is funding the property and case management for the project. Another example is the Kaiāulu O Halele'a Affordable Housing Project, which received funds from the County's Affordable Housing Fund, HOME, and Housing Trust Fund programs. This project will produce 120 affordable rental units at or below 60% AMI with units specifically reserved for households earning below 30% and 40% AMI. The production of these permanent rental

housing at multiple AMI points will provide safe and affordable housing to hundreds of Maui residents.

As evidenced by these projects, the County demonstrates a firm commitment to supporting and housing our unhoused neighbors. However, the long-term nature of the solutions to homelessness, incomplete scale and scope of immediate services, legal constraints, and limited options can serve as cause of frustration for Maui County residents, businesses, as well as homeless service providers and staff. Given these constraints and the challenges faced by homeless people themselves, an overarching policy of reducing and preventing homelessness through a series of short, medium, and long-term strategies is required. In addition, Maui County must brace for the aftermath of the COVID-19 crisis, as eviction moratoriums and other measures protecting the most vulnerable population are being lifted. With many current temporary sources of funding ending or under the threat of ending, such planning is critical.

2.2 SCOPE OF WORK

- a) Objective: The objective of the Plan is to provide a roadmap for Maui County to decrease the number of homeless individuals and households by ending their homelessness while utilizing a housing-focused approach, with a maximum budget of \$250,000.
- b) Scope. At a minimum, the Contractor will:
 - i. Collaborate with public and private stakeholders, including County departments, homeless services providers; social service agencies, housing providers; advocates, community groups; as well as cultural groups and those with lived experience.
 - ii. Develop a public outreach program to solicit input from the community.
 - iii. Utilize data-driven research and studies to prioritize which measures, strategies, and actions would be the most effective for Maui County to pursue.
 - iv. Present a range of sheltering and permanent housing option types with proven, evidence-based solutions that will end people's homelessness and minimize re-entry into homelessness.

- v. Provide a fiscal roadmap to ensure funding sustainability for proposed solutions.

PART 3. PROPOSAL INSTRUCTIONS AND EVALUATION

3.1 PROPOSAL

- a) Offeror's Authority to Submit and Offer. The County of Maui will not participate in determinations regarding an Offeror's authority to sell a product or services. If there is a question or doubt regarding an Offeror's right or ability to obtain and sell a product or services, the Offeror must resolve the question prior to submitting an offer.
- b) Required Review.
 - i. Before submitting a proposal, each Offeror must thoroughly and carefully examine this RFP and any attachment, addendum, and/or other relevant documents to ensure the Offeror understands the requirements of the RFP. The Offeror must also become familiar with County, State, and Federal laws, statutes, ordinances, rules, and regulations that may in any manner, affect cost, progress, or performance of the work required.
 - ii. Should the Offeror find defects and questionable or objectionable items in the RFP, the Offeror must notify the County in writing prior to the deadline for written questions as stated in the RFP schedule and Significant Dates. This will allow the issuance of necessary corrections and/or amendments to the RFP by addendum and mitigate reliance on the defective solicitation and exposure of proposals upon which an award could not be made.
- c) Proposal Preparation Costs. Any and all costs incurred by the Offeror in preparing or submitting a proposal will be the Offeror's sole responsibility whether or not any award results from their RFP; the County shall not reimburse any costs.
- d) Tax liability
 - i. Work to be performed under this solicitation is a business activity taxable under Chapter 237, HRS, and if applicable, taxable under Chapter 238,

HRS. The Offeror is advised that they are liable for the Hawaii General Excise Tax (GET) at the current rate of four and a half (4.5) percent for sales made on Oahu, and a four (4) percent rate for Maui County. If, however, an Offeror is a person exempt by the HRS from paying the GET and, therefore, not liable for the taxes on this solicitation, the Offeror must state its tax-exempt status and cite the HRS chapter or section allowing this exemption.

- ii. The Offeror must submit current Federal Tax Identification and Hawaii GET license numbers in the space provided on the offer form, attesting that the Offeror is doing business in the State of Hawaii and that the Offeror will pay such taxes on all sales made to the State.
- e) Property of the County. All proposals become the property of the County of Maui.
- f) Proposal Forms. To be considered responsive, the Offeror's proposal must respond to and include all items specified in this RFP and any subsequent addendum. Any proposal offering any other set of terms and conditions that conflict with the terms and conditions provided in the RFP or in any subsequent addendum may be rejected without further consideration.
- g) Proposal Content. In preparing the proposal, the Offeror must fully describe the following:
 - i. Methodology: Describe the approach, method, and procedure.
 - ii. Description of the Offeror
 - 1) General. Describe the Offeror, including the nature of services and how the Offeror is organized to perform the services.
 - 2) Qualifications. Describe the experience of the Offeror and key personnel who will be assigned to the contract.
 - 3) Previous Work. Indicate work relating to the State of Hawaii and counties of Hawaii done within the last three years.
 - 4) Independence. The Offeror must provide an affirmative statement that it is independent of the County. The Offeror must disclose any potential conflict of interest that may affect the performance of the contract. Examples of potential conflicts include having close ties

to Department employees and having conducted previous studies on behalf of the Department. If there is a potential conflict of interest, the Offeror must indicate how it can be minimized to safeguard the independence of the contract work.

iii. Resources to be used. Identify the resources that the Offeror intends to commit to the work, including the qualifications, experience, and recent relevant training of the management and staff assigned.

- 1) Indicate the number of hours to be worked by managers and other professional staff assigned to the engagement and their hourly rates.
- 2) Present a breakdown of other expenses such as supplies, travel, and taxes.
- 3) Identify the individual who will represent the Offeror in all matters concerning the contract.
- 4) Indicate how the quality of staff over the term of the contract will be assured.
- 5) Subcontractors may be used by the Offeror in performing any portion of the services requested in this RFP; however, the Offeror will be the sole point of contact, including payment of any and all charges resulting from the contract, and will be responsible for all services whether or not the Offeror performs them. If subcontractors will be used, a statement from each subcontractor must be included in the proposal, signed by an individual authorized to legally bind the subcontractor, and stating the following:
 - a. The subcontractor's name, mailing address, telephone number, fax number, and contact person.
 - b. The general scope of work to be performed by the subcontractor.
 - c. The subcontractor's willingness to perform for the indicated.

- 6) Note that the Offeror will be required to notify the CPO of any changes to the management and professional staff identified in the proposal. Furthermore, the SPO's approval will be required before assigning any other management or professional staff to this engagement.
- iv. Timetable and Compensation. Payment will be based on and in proportion to the work performed. The proposal must include a timetable of the dates for the delivery of the preliminary findings and recommendations; preliminary draft report, final report and the proposed compensation, including a payment schedule.
- v. Address where work will be conducted. The proposal must specify the address of the office from which the Offeror will conduct and coordinate its activities. The proposal must specify facilities, equipment, or anything else the Offeror requires the County to provide. Available office space within the building and the Department is scarce and providing room to the Contractor may not be possible.

3.2 GENERAL CONSIDERATIONS

Bidders must prepare concise and complete written responses to each of the specific questions for bidders contained in Part 2. Responses should be numbered in the same manner as the questions and will be used in evaluation of each bidder's proposed method of performance. The responses to the questions shall also be submitted in Microsoft Word format or Portable Document Format (PDF) to facilitate the evaluation process.

Bidders are free to recommend any changes to approach or systems which they believe would be beneficial or cost-effective to the County. This can include recommendations for enhancing, streamlining, or eliminating redundant or superfluous processing or reporting, and opportunities for integrating services. Bidders should note, however, that proposals will be evaluated and the Contractor will be chosen on the basis of the Contractor's commitment to meet and deliver the mandatory service requirements at the most competitive price. Higher scores will be given to

those who meet or exceed the criteria provided. The County shall be the final and sole arbiter of whether such alternative solution proposals meet the County's requirements and are cost-effective.

Bid price shall be inclusive of all costs related to the services requested, including but not limited to all taxes, supplies, labor, equipment, delivery, travel, administrative costs, and other expenses.

Please see attached COUNTY OF MAUI GENERAL CONDITIONS FOR PURCHASE OF GOODS AND SERVICES (General Conditions), attached hereto and incorporated by reference as Attachment "B", which the successful proposal shall be expected to comply with. Proposers acknowledge and agree that there shall be no post-award revision to the General Conditions. The contract will allow termination in accordance with the provisions set forth in the General Conditions.

During the contract term, the County may contract with other entities for similar services. All materials, reports, and other information produced during the duration of this contract shall be the exclusive property of the County.

Awarding of contract is subject to the availability of funds. The contract may be cancelled without penalty to the County in the event that sufficient funds are not appropriated.

In accordance with State Requirements, Section 3-122-112, as amended, of the Hawaii Administrative Rules, the successful bidder must produce the following documents:

- Tax Clearance Certificate
- DLIR Certificate of Compliance
- Certificate of Good Standing from the DCCA

The awarded vendor is encouraged to use the Hawaii Compliance Express (HE) website to assist them in obtaining the above certifications. The State website is: <http://vendors.ehawaii.gov>

It is not a requirement of the RFP to supply the compliance documents as part of the submittal; however, these documents must be provided to the County of Maui by the time the contract will

be prepared for execution, following award. For new users of HCE, or out-of-state/country vendors, the process to obtain the required documents may be time consuming. The bidder is asked to certify that they are willing and able to obtain the compliance certification.

3.3 SELECTION CRITERIA

The County will evaluate all Proposals that are received in a proper and timely manner to determine whether they meet the submission requirements. The County of Maui will evaluate each Proposal based on the “Best Value” concept. This means that the Proposal which “optimizes quality, cost, and efficiency among responsive and responsible respondent” shall be selected for award.

BEST & FINAL OFFERS /DISCUSSIONS:

If needed, pursuant to HAR 3-122-53, discussions may be conducted with priority-listed offerors and “best and final offers” may be accepted.

REJECTION FOR RESPONSIVENESS:

Any firm’s offerings and/or proposal which does not meet the minimum requirements of this request for proposals shall be rejected as nonresponsive. The County of Maui reserves the right to waive certain minimum requirements provided that all of the otherwise responsive proposals fail to meet the same minimum requirements and the failure to do so does not materially affect the procurement.

3. PERSONNEL REQUIREMENTS.

a. The CONTRACTOR shall secure, at the CONTRACTOR's own expense, all personnel required to perform this Contract.

b. The CONTRACTOR shall ensure that the CONTRACTOR's employees or agents are experienced and fully qualified to engage in the activities and perform the services required under this Contract, and that all applicable licensing and operating requirements imposed or required under Federal, State or County law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents are complied with and satisfied.

4. NONDISCRIMINATION. No person performing work under this Contract, including any subcontractor, employee, or agent of the CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable Federal, State, or County law.

5. CONFLICTS OF INTEREST. The CONTRACTOR represents that neither the CONTRACTOR, nor any employees or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR's performance under this Contract.

6. SUBCONTRACTS AND ASSIGNMENTS; CHANGE OF NAME.

a. No assignment without consent. The CONTRACTOR shall not assign or subcontract any of the CONTRACTOR'S duties, obligations, or interests under this Contract and no such assignment or subcontract shall be effective unless (1) the CONTRACTOR obtains the prior written consent of the COUNTY and (2) the CONTRACTOR'S assignee or subcontractor submits to the COUNTY a tax clearance certificate from the Director of Taxation, State of Hawaii, showing that all delinquent taxes, if any, levied or accrued under State law against the CONTRACTOR'S assignee or subcontractor have been paid. Additionally, no assignment by the CONTRACTOR of the CONTRACTOR'S right to compensation under this Contract shall be effective unless and until the assignment is approved by the COUNTY.

b. Recognition of a successor in interest. When in the best interests of the COUNTY, a successor in interest may be recognized in an assignment agreement in which the COUNTY, the CONTRACTOR and the assignee or transferee (hereinafter referred to as the "Assignee") agree that:

- 1) The Assignee assumes all of the CONTRACTOR'S obligations;

2) The CONTRACTOR remains liable for all obligations under this Contract but waives all rights under this Contract as against the COUNTY; and

3) The CONTRACTOR shall continue to furnish, and the Assignee shall also furnish, all required bonds.

c. Change of name. When the CONTRACTOR asks to change the name under which it holds this Contract with the COUNTY, the contract officer of the purchasing agency shall, upon receipt of a document acceptable or satisfactory to said officer indicating such change of name (for example, an amendment to the CONTRACTOR'S articles of incorporation), enter into an amendment to this Contract with the CONTRACTOR to effect such a change of name. The amendment to this Contract changing the CONTRACTOR'S name shall specifically indicate that no other terms or conditions of this Contract are thereby changed.

d. Reports. All assignment contracts and amendments to this Contract effecting changes of CONTRACTOR'S name or novation hereunder shall be reported to the chief procurement officer as defined in section 103D-203(b), HRS, within 30 days of the date that the assignment contract or amendment becomes effective.

e. Actions affecting more than one purchasing agency. Notwithstanding the provisions of Subparagraphs b. through d. herein, when the CONTRACTOR holds contracts with more than one purchasing agency of the COUNTY, the assignment contracts and the novation and change of name amendments herein authorized shall be processed only through the County Department of Finance

7. INDEMNIFICATION AND DEFENSE. Except as provided for in Section 103D-713, HRS, the CONTRACTOR shall defend, indemnify and hold harmless the COUNTY, the contracting department and their directors, employees and agents from and against all liability, loss, damage, cost and expense, including all attorneys' fees and costs, and all claims, suits and demands therefor, arising out of or in connection with any acts or omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents or subcontractors under this Contract. The provisions of this Paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Contract for any reason.

8. COST OF LITIGATION. In case the COUNTY shall, without any fault on its part, be made a party to any litigation commenced by or against the CONTRACTOR in connection with this Contract, the CONTRACTOR shall pay any cost and expense incurred by or imposed on the COUNTY, including attorneys' fees.

9. LIQUIDATED DAMAGES. When the CONTRACTOR is given notice of delay or nonperformance as specified in Paragraph 13 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the COUNTY the amount, if any, set forth in this Contract per calendar day from the date set for cure until either (i) the COUNTY reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR's delay or nonperformance is excused under Subparagraph 13.d. (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR shall remain liable for damages caused other than by delay. This Paragraph is of no force and effect unless the amount of liquidated damages is specified in the Contract.

10. COUNTY'S RIGHT OF OFFSET. The COUNTY may offset against any monies or other obligations the COUNTY owes to the CONTRACTOR under this Contract, any amounts owed to the COUNTY by the CONTRACTOR under this Contract or any other contracts, or pursuant to any law or other obligation owed to the COUNTY by the CONTRACTOR, including, without limitation, the payment of any taxes or levies of any kind or nature. The COUNTY will notify the CONTRACTOR in writing of any offset and the nature of such offset. For purposes of this Paragraph, amounts owed to the COUNTY shall not include debts or obligations which have been liquidated, agreed to by the CONTRACTOR, and are covered by an installment payment or other settlement plan approved by the COUNTY, provided, however, that the CONTRACTOR shall be entitled to such exclusion only to the extent that the CONTRACTOR is current with, and not delinquent on, any payments or obligations owed to the COUNTY under such payment or other settlement plan.

11. ADMINISTRATIVE, CONTRACTUAL, OR LEGAL REMEDIES. CONTRACTOR agrees to be bound by the administrative, contractual, or legal remedies set forth in these General Terms and Conditions, and HRS Section 103D-701, et seq., which govern CONTRACTOR's violation or breach of contract terms and appropriate sanctions and penalties.

12. SUSPENSION OF AGREEMENT. The COUNTY reserves the right at any time and for any reason to suspend this Contract for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.

a. Order to stop performance. The head of the purchasing agency may, by written order to the CONTRACTOR at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Contract. This order shall be for a specified period of time not exceeding sixty (60) days after the order is delivered to the CONTRACTOR, unless the parties agree to any further period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Upon receipt of such an order, the CONTRACTOR shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance

order expires, or within any further period to which the parties shall have agreed, the head of the purchasing agency shall either:

- 1) Cancel the stop performance order; or
- 2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Contract.

b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery or performance schedule or compensation, or both, and the Contract shall be modified in writing accordingly, if:

- 1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Contract and

2) The CONTRACTOR asserts a claim for such adjustment within thirty (30) days after the end of the period of performance stoppage provided that if the head of the purchasing agency decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.

c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.

d. Adjustment of price. Any adjustment in contract price made pursuant to this Paragraph shall be determined in accordance with the price adjustment provisions of this Contract.

13. TERMINATION FOR DEFAULT.

a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, or otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the head of the purchasing agency may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the head of the purchasing agency, the head of the purchasing agency may terminate the CONTRACTOR's right to proceed with the Contract or such part of the Contract as to which there has been delay or failure to properly perform. In the event of termination in whole or in part the head of the purchasing agency may procure similar goods or services in a manner and upon the terms deemed appropriate by the head of the purchasing agency. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods and services.

b. CONTRACTOR'S duties. Notwithstanding termination of the Contract and subject to any directions from the head of the purchasing agency, the CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the CONTRACTOR in which the COUNTY has an interest.

c. Compensation. Payment for completed goods and services delivered and accepted by the COUNTY shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the head of the purchasing agency. If the parties fail to agree, the head of the purchasing agency shall set the amount subject to the CONTRACTOR's rights under chapter 3-126, HAR. The COUNTY may withhold from amounts due the CONTRACTOR such sums as the head of the purchasing agency deems to be necessary to protect the COUNTY against loss because of outstanding liens or claims of former lien holders and to reimburse the COUNTY for the excess costs incurred by the COUNTY in procuring similar goods and services.

d. Excuse for nonperformance or delayed performance. Except with respect to defaults of subcontractors, the CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, if the CONTRACTOR has notified the head of the purchasing agency within fifteen (15) days after the cause of the delay and the failure arises out of causes including acts of God; acts of the public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the head of the purchasing agency shall ascertain the facts and extent of the failure, and, if he or she determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule or the time of performance shall be revised accordingly, subject to the rights of the COUNTY under the clause entitled, in fixed-price contracts, "Termination for Convenience," and in cost-reimbursement contracts, "Termination." As used in this Paragraph the term "subcontractor" means subcontractor at any tier.

e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR's right to proceed under this Paragraph, it is determined for any reason that the CONTRACTOR was not in default under this Paragraph, or that the delay was excusable under the provisions of Subparagraph d., "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 14.

f. Additional rights and remedies. The rights and remedies provided in this Paragraph are in addition to any other rights and remedies provided by law or under this Contract.

14. TERMINATION FOR CONVENIENCE BY THE COUNTY.

a. Termination for convenience. The head of the purchasing agency may, when the interests of the COUNTY so require, terminate this Contract in whole or in part, for the convenience of the COUNTY. The head of the purchasing agency shall give written notice of the termination to the CONTRACTOR specifying the part of the Contract terminated and when such termination becomes effective.

b. CONTRACTOR's obligations. The CONTRACTOR shall incur no further obligations in connection with the terminated performance, and on the date(s) set in the notice of termination the CONTRACTOR shall stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance subject to the County's approval. The head of the purchasing agency may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to the COUNTY. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as are necessary to do so.

c. Right to goods and work product. The head of the purchasing agency may require the CONTRACTOR to transfer title and deliver to the COUNTY in the manner and to the extent directed by the head of the purchasing agency:

1) Any completed goods or work product or both; and
2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Contract. The CONTRACTOR shall, upon direction of the head of the purchasing agency, protect and preserve property in the possession of the CONTRACTOR in which the COUNTY has an interest. If the head of the purchasing agency does not exercise this right, the CONTRACTOR shall use CONTRACTOR's best efforts to sell such goods and manufacturing materials. Use of this Paragraph in no way implies that the COUNTY has breached the Contract by exercise of the termination for convenience provision.

d. Compensation.

1) The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience, together with cost or pricing data to the extent required by subchapter 15, chapter 3-122 of the HAR, bearing on the claim. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the head of the purchasing agency may pay the CONTRACTOR, if at all, an amount set in accordance with (d)(3) below.

2) The head of the purchasing agency and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by cost or pricing data submitted to the extent required by subchapter 15, chapter 3-122, HAR, and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the COUNTY, the proceeds of any sales of goods and manufacturing materials under Subparagraph c. of this Paragraph, and the Contract price of the performance not terminated.

3) Absent complete agreement under Subparagraph (d)(2) above, the head of the purchasing agency shall pay the CONTRACTOR the following amounts, provided payments agreed to under Subparagraph d.2) shall not duplicate payments under this Subparagraph for the following:

(A) Contract prices for goods or services or both accepted under the Contract;

(B) Costs incurred in preparing to perform and performing the terminated portion of the work or performance plus a five per cent markup on actual direct costs on the portion of the work or performance, the markup shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services or both; provided, however, that if it appears that the CONTRACTOR would have sustained a loss if the entire Contract would have completed, no markup shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;

(C) Subject to the prior approval of the head of the purchasing agency, costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Subparagraph b. Subcontractors shall be entitled to a markup of no more than ten per cent on direct costs incurred to the date of termination. These costs must not include costs paid in accordance with Subparagraph (d)(3)(B).

(D) The total sum to be paid the CONTRACTOR under this Subparagraph shall not exceed the total Contract price reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph c.3) and the Contract price of performance not terminated.

4) Costs claimed, agreed to, or established under Subparagraphs d.2) and d.3) above shall be in accordance with Chapter 3-123, HAR.

15. CLAIMS BASED ON THE HEAD OF THE PURCHASING AGENCY'S ACTIONS OR OMISSIONS.

a. Change in scope. If any action or omission on the part of the head of the purchasing agency (which term includes the designee of such person) requiring performance changes within the scope of the Contract constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages or an extension of time for completion, the CONTRACTOR shall continue with performance of the Contract in compliance with the directions or orders of proper

officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages or extension of time for completion, provided:

- 1) The CONTRACTOR shall have given written notice to the head of the purchasing agency:
 - (A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;
 - (B) Within thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance or
 - (C) Within such further time as may be allowed by the head of the purchasing agency in writing.
- 2) This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages or an extension of time. The head of the purchasing agency or his or her designee, upon receipt of such a notice, may rescind such action, remedy such omission or take such other steps as may be deemed advisable in the discretion of the head of the purchasing agency or his or her designee.
- 3) The notice required by Subparagraph a.1) of this Paragraph must describe as clearly as practicable, at the time, the reasons why the CONTRACTOR believes that additional compensation, damages or an extension of time may be remedies to which the CONTRACTOR is entitled; and
- 4) The CONTRACTOR must maintain and, upon request, make available to the head of the purchasing agency within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to the COUNTY, of the claimed additional costs or an extension of time in connection with such changes.
 - b. Nothing herein contained, however shall excuse the CONTRACTOR from compliance with any rules or laws precluding any County officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.
 - c. Any adjustment in the price made pursuant to this Paragraph shall be determined in accordance with the price adjustment provisions of the Contract and these General Conditions.

16. COST AND EXPENSE. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Contract shall be subject to chapter 3-123 (Cost Principles), HAR, and the following guidelines:

- a. Reimbursement for air transportation shall be for actual cost or coach class airfare, whichever is less.
- b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
- c. Unless prior written approval of the head of the purchasing agency is obtained, reimbursement for subsistence allowable allowance (i.e., hotel and meals) shall not exceed the applicable daily authorized rates for inter-island or out-of-state travel for County officers and employees in the executive branch who are excluded from collective bargaining coverage. No other travel or living expense (e.g., tips, entertainment, alcohol, etc.) shall be reimbursed by the COUNTY, other than those items listed in Subparagraphs a. and b. of this Paragraph. Invoices shall document the days of travel by including the name of the traveler, itinerary, airfare receipt, hotel receipt, and ground transportation receipts. All travel must be pre-approved by the COUNTY Officer-in-Charge.
- d. CONTRACTORS with an office located on the same island as the site of the services to be provided pursuant to this Contract are not entitled to per diem or transportation expense reimbursement unless expressly specified in the Contract.

17. PAYMENT PROCEDURES; FINAL PAYMENT; TAX CLEARANCE.

- a. Original invoices required. All payments under this Contract shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Contract have been performed by the CONTRACTOR according to the Contract.
- b. Subject to available funds. Such payments are subject to availability of funds, and all payments shall be made in accordance with and subject to Article 9 of the County of Maui Charter.
- c. Payment only for work under contract. The COUNTY is not responsible to pay for work performed by CONTRACTOR or its subcontractors that is not in this Contract and any amendments or change orders thereto. CONTRACTOR must follow Paragraph 19, Contract Modifications, or Paragraph 20, Change Orders, and must have proper authorization before performing work outside the original Contract.
- d. Compensation Retained.
 - 1) Pursuant to §103-32.1(a), HRS, the County may retain a portion of the amount due under the contract to the CONTRACTOR to ensure proper performance of the contract, provided that the sum withheld shall not exceed five percent (5%) of the amount due the CONTRACTOR and that after fifty percent (50%) of the contract is completed and progress is satisfactory, no additional sum shall be withheld; provided further that if progress is not satisfactory, the Procurement Officer may continue to withhold as compensation retained sums not exceeding five percent (5%) of the amount due the CONTRACTOR; provided further that the compensation retained shall not include sums deducted and withheld separately as liquidated damages from moneys due or that may become due the CONTRACTOR under the contract.

2) The County may enter into an agreement with the CONTRACTOR which will allow the CONTRACTOR to withdraw from time to time the whole or any portion of the sum retained under sub-paragraph (a) upon depositing with the County any general obligation bond of the State or its political subdivisions with a market value not less than the sum to be withdrawn; provided that the County may require that the total market value of such bond be greater than the sum to be withdrawn.

e. Final payment. Final payment under this Contract shall be subject to sections 103-53 and 103D-328, HRS, which require a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid. Further, in accordance with section 3-122-112, HAR, CONTRACTOR shall provide a certificate affirming that the CONTRACTOR has remained in compliance with all applicable laws as required by this section.

18. FEDERAL OR STATE FUNDS. If this Contract is payable in whole or in part from federal or state of Hawaii ("State") funds, CONTRACTOR agrees that, as to the portion of the compensation under this Contract to be payable from federal or State funds, the CONTRACTOR shall be paid only from such funds received from the federal or State government, and shall not be paid from any other funds. Failure of the County to receive anticipated federal or State funds shall not be considered a breach by the County or an excuse for nonperformance by the CONTRACTOR.

19. CONTRACT MODIFICATIONS.

a. Modification in writing; no verbal modification. At any time, and without notice to any surety, the head of the purchasing agency, subject to mutual agreement of the parties to the Contract in writing and all appropriate adjustments, may make modifications within the general scope of this Contract to include any one or more of the following:

- 1) Drawings, designs, or specifications, for the goods to be furnished or services to be performed;
- 2) Method of shipment or packing;
- 3) Place of delivery;
- 4) Description of services to be performed;
- 5) Time of performance (i. e., hours of the day, days of the week, etc.);
- 6) Place of performance of the services; or
- 7) Other provisions of the contract accomplished by mutual action of the parties to the contract.

b. No verbal modification. No verbal modification, alteration, amendment, change or extension of any term, provision or condition of this Contract shall be permitted or acknowledged.

c. Adjustment of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment shall be made and this Contract modified in writing accordingly. Any adjustment in price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Contract or as negotiated.

d. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be **allowed** if the claim is not received by the head of the purchasing agency prior to final payment under this Contract.

e. Other claims not barred. In the absence of a written modification to the Contract, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Contract or for a breach of contract.

f. Professional Services Contract. If this is a professional services contract awarded pursuant to Section 103D-304, HRS, any modification, alteration, amendment, change or extension of any term, provision or extension of this Contract which increases the amount payable to the CONTRACTOR by at least \$25,000.00 and ten per cent (10%) or more of the initial Contract price must receive the prior approval of the County Director of Finance.

g. Tax clearance. The COUNTY may, at its discretion, require the CONTRACTOR to submit to the COUNTY, prior to the COUNTY'S approval of any modification, alteration, amendment, change or extension of any term, provision or condition of the Contract, a tax clearance from the Director of Taxation, State of Hawaii, showing that all delinquent taxes, if any, levied or accrued against the CONTRACTOR have been paid.

h. Sole source agreements. Amendments to sole source agreements that would change the original scope of the agreement, or increase the original contract price by ten percent or more, may only be made with the approval of the Chief Procurement Officer. Annual renewal of a sole source agreement for services shall not be submitted as an amendment.

20. CHANGE ORDERS. A change order is a written order signed by the head of the purchasing agency, directing the CONTRACTOR to make changes which the "changes clause" described below authorizes the head of the purchasing agency to order without the consent of the CONTRACTOR.

a. Changes Clause Generally. By written order, at any time, and without notice to any surety, the head of the purchasing agency may, unilaterally, order of the CONTRACTOR:

- 1) Changes in the work within the scope of the Contract; and
- 2) Changes in the time of performance of the Contract that do not alter the scope of the contract

work.

b. Adjustments of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment

shall be made and the Contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment provision of this Contract. Failure of the parties to agree to an adjustment in contract price shall be resolved in accordance with Subparagraph a.5) of Paragraph 21 on Price Adjustment. Failure of the parties to agree to an adjustment in time shall not excuse the CONTRACTOR from proceeding with the Contract as changed, provided that the head of the purchasing agency, within fourteen days after the changed work commences, makes the provisional adjustments in time as the head of the purchasing agency deems reasonable. The right of the CONTRACTOR to dispute the contract price or time required for performance or both shall not be waived by its performing the work, provided however, that it follows the written notice requirements for disputes and claims established by the Contract.

c. Time period for claim. Except as may be provided otherwise by section 103D-501(b), HRS, the CONTRACTOR must file a written claim disputing the contract price or time provided in a change order within ten days after receipt of a written change order, unless such period for filing is extended by the head of the purchasing agency in writing. The requirement for filing a timely written claim cannot be waived and shall be a condition precedent to the assertion of a claim.

- 1) Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if the claim is not received by the head of the purchasing agency prior to final payment under this Contract.
- 2) Other claims not barred. In the absence of such a change order, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Contract or for breach of contract.

21. PRICE ADJUSTMENT.

a. Price adjustment. Any adjustment in the Contract price pursuant to a provision in this Contract shall be made in one or more of the following ways:

- 1) By agreement on a fixed price adjustment before commencement of the pertinent performance;
- 2) By unit prices specified in the Contract or subsequently agreed upon before commencement of the pertinent performance;
- 3) By the costs attributable to the events or situations covered by the provision, plus appropriate profit or fee, all as specified in the Contract or subsequently agreed upon before commencement of the pertinent performance;
- 4) In such other manner as the parties may mutually agree upon before commencement of the pertinent performance; or
- 5) In the absence of agreement between the parties, the adjustment shall be made pursuant to 103D-501(b)(5), HRS.

b. Submission of cost or pricing data. The CONTRACTOR shall be required to submit cost or pricing data for any price adjustment subject to the provisions of subchapter 15, chapter 3-122, HAR. A fully executed change order or other document permitting billing for the adjustment in price under any method listed in Subparagraph (a)(1) through (a)(4) of this Paragraph shall be issued within ten days after agreement on the method of adjustment.

22. VARIATIONS IN QUANTITY FOR ANY DEFINITE QUANTITY CONTRACT. If this is a definite quantity goods or services contract, upon the agreement of the COUNTY and the CONTRACTOR, the quantity of goods or services, or both, specified in this Contract, may be increased by a maximum of ten per cent (10%), provided (1) the unit prices will remain the same except for any price adjustments otherwise applicable; and (2) the head of the purchasing agency makes a written determination that such an increase will either be more economical than awarding another Contract or that it would not be practical to award another agreement.

23. CHANGES IN COST-REIMBURSEMENT CONTRACT. If this Contract is a cost-reimbursement contract, the following provisions shall apply:

a. The head of the purchasing agency may at any time by written order, and without notice to the sureties, in any, make changes within the general scope of the Contract in any one or more of the following:

- 1) Description of performance;
- 2) Time of performance (i.e., hours of the day, days of the week, etc.)
- 3) Place of performance of services;
- 4) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for the COUNTY in accordance with the drawings, designs, or specifications;
- 5) Method of shipment or packing of supplies; or
- 6) Place of delivery.

b. If any change causes an increase or decrease in the estimated cost of, or the time required for performance of, any part of the performance under this Contract, whether or not changed by the order, or otherwise affects any other terms and conditions of this Contract, the head of the purchasing agency shall make an equitable adjustment in the 1) estimated cost, deliver or completion schedule, or both; 2) amount of any fixed fee; and 3) other affected terms and shall modify the Contract accordingly.

c. The CONTRACTOR must assert the CONTRACTOR's rights to an adjustment under this provision within 30 days from the day of receipt of the written order. However, if the head of the purchasing agency decides that the facts justify it, the head of the purchasing agency may receive and act upon a proposal submitted before final payment under the Contract.

d. Failure to agree to any adjustment shall be a dispute under the provision on Dispute herein. However, nothing in this provision shall excuse the CONTRACTOR from proceeding with the Contract as changed.

e. Notwithstanding the terms and conditions of Subparagraphs a. and b. of this Paragraph, the estimated cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance of this Contract, shall not be increased or considered to be increased except by specific written modification of the Contract indicating the new contract estimated cost and, if the contract is incrementally funded, the new amount allotted to the contract.

24. PROMPT PAYMENT OF SUBCONTRACTORS.

a. Generally. Any money paid to a CONTRACTOR shall be disbursed to subcontractors within ten days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes on which the procurement agency has withheld payment.

b. Final payment. Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten days after receipt of the money; provided that there are no bona fide disputes over the subcontractor's performance under the subcontract.

c. Penalty. The procurement officer or the CONTRACTOR, as applicable, will be subject to a penalty of one and one-half per cent per month upon outstanding amounts due that were not timely paid by the responsible party under the following conditions. Where a subcontractor has provided evidence to the CONTRACTOR of satisfactorily completing all work under their subcontract and has provided a properly documented final payment request as described in Subparagraph d. of this Paragraph, and:

1) Has provided to the CONTRACTOR an acceptable performance and payment bond for the project executed by a surety company authorized to do business in the State, as provided in section 103-32.1, HRS; or

2) The following has occurred:

(A) A period of ninety days after the day on which the last of the labor was done or performed and the last of the material was furnished or supplied has elapsed without written notice of a claim given to CONTRACTOR and the surety, as provided for in section 103D-324, HRS; and

(B) The subcontractor has provided to the CONTRACTOR, an acceptable release of retainage bond, executed by a surety company authorized to do business in the State, in an amount of not more than two times the amount being retained or withheld by the CONTRACTOR; any other bond acceptable to the CONTRACTOR; or any other form of mutually acceptable collateral, then, all sums retained or withheld from a subcontractor and otherwise due to the subcontractor for satisfactory performance under the subcontract shall be paid by the procurement officer to the CONTRACTOR and subsequently, upon receipt from the procurement officer, by the CONTRACTOR to the subcontractor within the applicable time periods specified in Subparagraph b. of this Paragraph and section 103-10, HRS. The penalty may be withheld from future payment due to the CONTRACTOR, if the CONTRACTOR was the responsible party. If a CONTRACTOR has violated Subparagraph b. three or more times within two years of the first violation, the CONTRACTOR shall be referred by the procurement officer to the CONTRACTOR's license board for appropriate action, including action under section 444-17(14), HRS.

d. A properly documented final payment request from a subcontractor, as required by Subparagraph c., shall include:

1) Substantiation of the amounts requested;

2) A certification by the subcontractor, to the best of the subcontractor's knowledge and belief,

that:

(A) The amounts requested are only for performance in accordance with the specifications, terms, and conditions of the subcontract;

(B) The subcontractor has made payments due to its subcontractors and suppliers from previous payments received under the subcontract and will make timely payments from the proceeds of the payment covered by the certification, in accordance with their subcontract agreements and the requirements of this section; and

(C) The payment request does not include any amount that the subcontractor intends to withhold or retain from a subcontractor or supplier in accordance with the terms and conditions of their subcontract; and

3) The submission of documentation confirming that all other terms and conditions required under the subcontract agreement have been fully satisfied.

The procurement officer shall return any final payment request that is defective to the CONTRACTOR within seven days after receipt, with a statement identifying the defect.

e. This section shall not be construed to impair the right of a CONTRACTOR or a subcontractor at any tier to negotiate and to include in their respective subcontracts provisions that provide for additional terms and conditions that are requested to be met before the subcontractor shall be entitled to receive final payment under Subparagraph c. of this Paragraph; provided that any such payments withheld shall be withheld by the procurement officer.

25. ACCEPTANCE OF GOODS AND SERVICES. The COUNTY shall accept goods and services or give CONTRACTOR notice of rejection within a reasonable time, notwithstanding any payment, prior test, or inspection. No inspection, test, delay or failure to inspect or test, or failure to discover any defect or other nonconformance with the specifications, shall relieve CONTRACTOR of any obligations under this Contract or impair any rights or remedies of the COUNTY.

26. OBSOLETE PARTS/LONG TERM PARTS AVAILABILITY. CONTRACTOR shall timely report on the status of end of life (EOL) hardware that has been procured for the purchased or leased product. EOL hardware includes the following: electronic components/piece parts and mechanical hardware. This includes but is not limited to fabrication, assembly, handling, inspection, acceptance, testing, facility relocation, or introduction of a new manufacturer. CONTRACTOR shall notify the COUNTY of any pending or contemplated future action to discontinue articles purchased or replacement parts for the articles purchased pursuant to this Contract and shall work with the COUNTY to determine the need to stockpile any parts for the likely life of the product and offer those parts to the COUNTY prior to the actual discontinuance. CONTRACTOR shall extend opportunities to the COUNTY to place last time buys of such articles with deliveries not to exceed twelve months after the last time buy date.

27. CONFIDENTIALITY OF MATERIAL.

a. All material given to or made available to the CONTRACTOR by virtue of this Contract, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of the COUNTY.

b. All information, data, or other material provided by the CONTRACTOR to the COUNTY is subject to the Uniform Information Practices Act, chapter 92F, HRS.

28. PUBLICITY AND USE OF COUNTY, STATE, OR FEDERAL SEAL, LOGO, AND FLAGS. The CONTRACTOR shall not refer to the COUNTY or any office, agency, or officer thereof, or any COUNTY employee, including the head of the purchasing agency, the County procurement officers, the County council members, or members or directors of any County board or commission, or to the services or goods, or both, provided under this Contract, in any of the CONTRACTOR's brochures, advertisements, or other publicity of the CONTRACTOR without the explicit written consent of the COUNTY. All media contacts with the CONTRACTOR about the subject matter of this Contract shall be referred to the head of the purchasing agency.

The CONTRACTOR shall not use federal, state, or County seal(s), logos, crests, or reproductions of flags or likenesses of any agency official without specific pre-approval in writing.

29. OWNERSHIP RIGHTS AND COPYRIGHT. The COUNTY shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled or conceived by the CONTRACTOR pursuant to this Contract and all such material shall be considered "works for hire." All such materials shall be delivered to the COUNTY upon expiration or termination of this Contract. The COUNTY, in its sole discretion, shall have the exclusive right to copyright any product, concept, or material developed, prepared, assembled or conceived by the CONTRACTOR pursuant to this Contract.

30. INSURANCE. During the term of this Contract, CONTRACTOR shall maintain at all times or cause to be maintained general and professional liability insurance coverage for CONTRACTOR and its employees rendering services to the COUNTY under this Contract. The insurance policies shall be issued by a company or companies authorized to do business in Hawaii and approved by the COUNTY, with combined single limits of not less than ONE MILLION DOLLARS (\$1,000,000) per occurrence and TWO MILLION DOLLARS (\$2,000,000) in the aggregate for Contracts with a total certified amount of \$1,000,000 or less, and THREE MILLION DOLLARS (\$3,000,000) in the aggregate for Contracts with a total certified amount of \$1,000,001 or more, or such greater amount as may be required from time to time by the COUNTY. CONTRACTOR shall also carry workers' compensation insurance for CONTRACTOR'S employees in the amounts required by applicable law. CONTRACTOR shall provide COUNTY not less than thirty (30) days' notice prior to any cancellation or material change or reduction in coverage. No such material change or reduction may be made without approval from the COUNTY. The COUNTY shall be listed as an additional insured on all policies, with the exception of professional liability and workers' compensation policies. Prior to the commencement of this Contract, CONTRACTOR shall provide the COUNTY with a certificate of insurance. Thereafter, prior to the expiration of each policy period, the insurance carriers for CONTRACTOR shall provide the COUNTY with certificates of insurance evidencing the foregoing coverage and provisions. The COUNTY reserves the right to request and receive a certified copy of the policies. Failure to maintain the necessary insurance in accordance with the provisions set forth herein shall constitute a material breach of this Contract and the COUNTY shall thereafter have the options of pursuing remedies for such breach and/or immediate termination of this Contract.

31. LIENS AND WARRANTIES.

a. Liens. All products provided under this Contract shall be free of all liens and encumbrances.

b. Warranties for products and services. In the event this Contract is for the provision of products (goods or equipment), CONTRACTOR warrants that it has all rights, title and interest in and to all products sold, leased or licensed to the COUNTY. CONTRACTOR also warrants that the products shall substantially conform to all descriptions, specifications, statements of work and representations set forth in the Contract, schedules, publications of CONTRACTOR and/or any order(s) and will be free from defects in materials, performance, workmanship and design. CONTRACTOR further warrants that it will perform any services required with promptness, diligence and in accordance with prevailing standards in the industry to the reasonable satisfaction of the COUNTY. The Warranty period shall commence after Acceptance, as defined in this Contract. Any specific warranty periods shall be as set forth in the proposals, schedules, orders or Special Conditions pertaining to this Contract but in any event such warranty period shall not be less than one (1) year.

32. ACCESS TO AND AUDIT OF BOOKS AND RECORDS OF THE CONTRACTOR. The COUNTY may, at reasonable times and places, audit the books and records of the CONTRACTOR, prospective CONTRACTOR, subcontractor, or prospective subcontractor which are related to:

- a. The cost or pricing data.
- b. Subcontracts, other than those related to a firm fixed-price Contract.
- c. The following access to records requirements additionally apply to any Contract funded in whole or in part by the state or federal government:
 - 1) The CONTRACTOR agrees to provide the County, State of Hawaii, Federal Emergency Management Agency or other federal agency, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the CONTRACTOR which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.
 - 2) The CONTRACTOR agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
 - 3) The CONTRACTOR agrees to provide access to construction or other work sites pertaining to the work being completed under the contract.

33. COST OR PRICING DATA.

- a. Cost or pricing data must be submitted to the head of the purchasing agency and timely certified as accurate for contracts over \$100,000 unless the contract is for a multiple-term or as otherwise specified by the head of the purchasing agency.
- b. If certified cost or pricing data are subsequently found to have been inaccurate, incomplete, or noncurrent as of the date stated in the certificate, the County is entitled to an adjustment of the contract price, including profit or fee, to exclude any significant sum by which the price, including profit or fee, was increased because of the defective data. It is presumed that overstated cost or pricing data increased the contract price in the amount of the defect plus related overhead and profit or fee. Therefore, unless there is a clear indication that the defective data was not used or relied upon, the price will be reduced in such amount.

34. RECORDS RETENTION.

- a. Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the COUNTY.
- b. The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the COUNTY, and any cost or pricing data, for at least three years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three year or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS, or returned to the County at the request of the County.

35. ANTITRUST CLAIMS. The COUNTY and the CONTRACTOR recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the purchaser. Therefore, the CONTRACTOR hereby assigns to the COUNTY any and all claims for overcharges as to goods and materials purchased in connection with this Contract, except as to overcharges which result from violations commencing after the price is established under this Contract and which are not passed on to the COUNTY under an escalation clause.

36. PATENTED ARTICLES. The CONTRACTOR shall defend, indemnify, and hold harmless the COUNTY, and its officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorney's fees, and all claims, suits, and demands arising out of or resulting from any claims, demands, or actions by the patent holder for infringement or other improper or unauthorized use of any patented article, patented process, or patented appliance in connection with this Contract. The CONTRACTOR shall be solely responsible for correcting or curing to the satisfaction of the COUNTY any such infringement or improper or unauthorized use, including, without limitation a. furnishing at no cost to

the COUNTY a substitute article, process, or appliance acceptable to the COUNTY; b. paying royalties or other required payments to the patent holder; c. obtaining proper authorizations or releases from the patent holder; and d. furnishing such security to or making such arrangements with the patent holder as may be necessary to correct or cure any such infringement or improper or unauthorized use.

37. POLLUTION CONTROL. If during the performance of this Contract, the CONTRACTOR encounters a "release" or a "threatened release" of a reportable quantity of a "hazardous substance," "pollutant," or "contaminant" as those terms are defined in section 128D-1, HRS, the CONTRACTOR shall immediately notify the COUNTY and all other appropriate state, county, or federal agencies as required by law. The CONTRACTOR shall take all necessary actions, including stopping work, to avoid causing, contributing to, or making worse a release of a hazardous substance, pollutant, or contaminant, and shall promptly obey any orders the Environmental Protection Agency or the state Department of Health issues in response to the release. In the event there is an ensuing cease-work period, and the COUNTY determines that this Contract requires and adjustment of the time for performance, the Contract shall be modified in writing accordingly.

CONTRACTOR further agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, 42 U.S.C. § 7401-7671 et seq., and the Federal Water Pollution Control Act, as amended, 33 U.S.C. §1251-1387, and will report violations to the County, Federal Emergency Management Agency, and the regional office of the Environmental Protection Agency. The CONTRACTOR agrees to include these requirements in each subcontract.

38. RECOVERED AND RECYCLED MATERIALS. To the extent applicable to this contract, CONTRACTOR agrees to comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. Section 6002 requires CONTRACTOR to use only items, designated in guidelines of the Environmental Protection Agency at 40 C.F.R. part 247, that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000.

a. In the performance of this contract, the CONTRACTOR shall make maximum use of products containing recovered materials that are EPA- designated items unless the product cannot be acquired (i) Competitively within a timeframe providing for compliance with the contract performance schedule; (ii) Meeting contract performance requirements; or (iii) At a reasonable price.

b. Information about this requirement, along with the list of EPA-designate items, is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

42. COMPLIANCE WITH LAWS. This is an acknowledgement that state or federal financial assistance may be used to fund the contract only. The CONTRACTOR shall comply with all federal, State, and county laws, ordinances, codes, rules, regulations, executive orders, and agency policies, procedures, and directives, as the same may be amended from time to time, that in any way affect the CONTRACTOR'S performance of this Contract. This specifically includes, without limitation, Sections 103-55 and 103-55.5, HRS, dealing with wages, hours and working conditions of employees of contractors providing services or construction.

The state and federal government are not party to this contract and is not subject to any obligations or liabilities to the County, CONTRACTOR, or any other party pertaining to any matter resulting from the contract.

43. CONFLICT BETWEEN GENERAL CONDITIONS AND PROCUREMENT RULES. In the event of a conflict between the General Conditions and the procurement rules in the HAR, the procurement rules in effect on the date this Contract became effective shall control and are hereby incorporated by reference.

44. ELECTION-RELATED CONTRIBUTIONS BY COUNTY CONTRACTORS. CONTRACTOR acknowledges and shall comply with Section 11-355, HRS.

45. BYRD ANTI-LOBBYING AMENDMENT. If this contract is for an award of \$100,000 or more, CONTRACTOR shall file a written declaration with the County certifying that CONTRACTOR has not and will not use federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any federal agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. § 1352. CONTRACTOR also agrees to disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award.

46. EXCLUDED PARTIES LIST SYSTEM. Contractor understands and agrees that if Contractor is listed on the government-wide Excluded Parties List System in the System for Award Management at www.SAM.gov as suspended or debarred, or has been suspended or disbarred pursuant to Section 103D-702, HRS, Contractor cannot be awarded this contract.

47. DRAFTING. No provision of this Contract shall be interpreted for or against any party on the basis that such party was the draftsman of such provision, and no presumption of burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Contract.

48. CAPTIONS. The captions contained herein are used solely for convenience and shall not be deemed to define or limit the provisions of this Agreement.

49. COUNTERPARTS. This Contract may be executed in any number of counterparts with the same effect as if all of the parties had signed the same document.
